My dear Deshpande,

Many many thanks for sending me a copy of "RBI Legal News and Views" — Oct-Dec. '98 issue. I am somewhat late in couraging my acknowledgement; it was because I thought I should read the issue-page to page before writing to you. There were also some domestic health problems. My heartiest congratulations to you personally to the Editorial Committee and the contributors of various articles. Although you call it as "House Journal of the Legal Deptt.", I think it is an important addition to the literature on legal subjects in India. The standard of the contribution is good and I am sure it will be maintained.

Thanks and congratulations again.  
With warm regards,  
Yours sincerely,  
P.B. Kulkarni  
(Modi Baug, Pune)
