- Note** : 1. Data for 2010-11 relate to Revised Estimates while 2011-12 are Budget Estimates.
2. Data relate to 28 State Governments.
3. Total liabilities have been revised to include reserve funds, deposits and advances and contingency funds.
4. Outstanding Liabilities from 1980-81 to 1989-90 have been derived by adding budgetary flows to CAG's data series on outstanding liabilities of State Governments with a base year (1986-87). However, outstanding debt for contingency funds has been derived by backward method of deducting budgetary flow from its outstanding liabilities in 1990-91.
5. Debt series from 1990-91 onwards have been compiled by taking the data provided by the CAG in 'Combined Finance and Revenue Accounts of the Union and State Governments in India'. In the absence of data for any particular head in the said publication, corresponding data from the State Budgets, data from Reserve Bank records have been used for compiling the data series on debt.
6. Market Loans include Power Bonds.

Also see Notes on Tables.

Source : Data are derived from Combined Finance and Revenue Accounts of the Union and the State Governments in India and Budget documents of the State Governments.
