

**BASIC STATISTICAL RETURNS  
OF  
SCHEDULED COMMERCIAL BANKS IN INDIA**

VOLUME - 30

MARCH 2001

# INTRODUCTION

This Volume, thirtieth in the series, presents comprehensive data on deposits and credit of scheduled commercial banks and also information on number of employees of the banks, as on 31<sup>st</sup> March 2001. The data are collected through the annual statistical surveys, Basic Statistical Returns (BSR) - 1 & 2, from the offices of scheduled commercial banks in India. The earlier title of the publication, i.e. '*Banking Statistics*' has been changed to 'Basic Statistical Returns of Scheduled Commercial Banks in India' from March 2000 Volume 29. This has been done with a view to highlight the source and the nature of the data published in the Volume and also to indicate the basic distinction between the banking statistics presented in another publication of the Bank, viz., '*Statistical Tables Relating to Banks in India*', which is based on data collected through various statutory returns and other statistical returns. Information on other publications of the Bank on Banking Statistics is given in the **Appendix**

2. The BSR-1 & 2 returns have been revised with effect from March 1999 Survey in line with policy changes and developments in the banking sector. The significant features of the revision are:

- (i) the cut-off credit limit for classifying borrowal accounts of scheduled commercial banks under '*small borrowal accounts*' is raised to Rs.2 lakh from Rs.25,000 earlier;
- (ii) minimum maturity period of term deposits is reduced to 15 days from 30 days; and
- (iii) rate of interest of borrowal accounts is presented exclusive of interest tax.

As a result of these changes, the data presented in some of the tables in this Volume and Volume 28 and Volume 29 for March 1999 and March 2000 respectively, are not comparable

with those of the earlier years.

3. BSR-1 relates to gross bank credit and comprises term loans, cash credits, overdrafts, bills purchased and discounted, bills re-discounted under the New Bill Market Scheme as also dues from banks. Whereas, the bank credit data, based on returns under Section 42(2) of the RBI Act, 1934 is exclusive of dues from banks and bills re-discounted under the New Bill Market Scheme. The BSR-1 return is divided into two parts - Part A and Part B (BSR-1A and BSR-1B). Till 1998, the BSR-1A return covered accounts with individual credit limit of over Rs. 25,000. Consequent upon the revision in the cut-off credit limit from March 1999 survey, BSR-1A return for banks other than regional rural banks, covers accounts with individual credit limit of over Rs. 2 lakhs. In the case of regional rural banks, the cut-off credit limit is at Rs. 25,000. In BSR-1A, information in respect of each of the borrowal accounts is collected on various characteristics, such as place (district and population group) of utilisation of credit, type of account, type of organisation, occupational category, nature of borrowal account, rate of interest, credit limit and amount outstanding. In BSR 1-B, information in respect of accounts with individual credit limit upto Rs. 2 lakh (Rs. 25,000 for regional rural banks) is obtained in consolidated form for broad occupational categories. The information on small borrowal accounts are obtained from BSR-1B returns of scheduled commercial banks (including regional rural banks) together with the accounts having credit limit above Rs. 25,000 and upto Rs. 2 lakh in BSR-1A returns of regional rural banks.

4. In BSR-2, each bank office submits information on deposits with their break-up into current, savings and term deposits. Information on deposit accounts of *females* is also given separately. Information of term deposits

according to different maturity periods is also furnished in this return. In addition, BSR-2 also provides information on staff strength, classified according to gender and category (i.e. supervisory, clerical and subordinates), in individual bank offices as on the reference date of the survey. Deposits exclude inter-bank deposits. Current deposits comprise (i) deposits subject to withdrawal on demand (other than savings deposits) or on notice of less than 15 days, or term deposits with a maturity period of less than 15 days; (ii) call deposits withdrawable not later than 14 days; (iii) unclaimed deposits; (iv) overdue fixed deposits; (v) credit balance in cash credit and overdraft accounts and (vi) contingency unadjusted account if in the nature of deposits. Savings deposits are deposits accepted by banks under their savings bank deposit rules. Term deposits are deposits with a fixed maturity of not less than 15 days or subject to notice of not less than 15 days. These would also include (i) deposits payable after 14 days notice; (ii) cash certificates; (iii) cumulative or recurring deposits; (iv) Kuri & Chit deposits and (v) special deposits in the nature of term deposits. Conceptually, the deposits data in BSR-2 and the aggregate deposits in Section 42(2) return are the same. However, the deposits presented in this Volume except in Table 1.1 exclude the proceeds of Resurgent India Bonds (RIBs) and India Millennium Deposits (IMDs) so as to reflect a balanced geographical distribution of deposits. In BSR-2, bank branches also give classification of term deposits according to broad interest rate ranges. A table giving percentage distribution of term deposits according to interest rate range is presented in the Volume, based on this data.

5. Out of the 67,525 offices of scheduled commercial banks functioning as on the last day of March 2001, BSR-1 returns were received from 62,316 offices. BSR-2 returns were received from 62,107 offices. In the case of non-reporting offices the data have been estimated based on the previous

round of the survey and from the available information in the Quarterly Return on Aggregate Deposits and Gross Bank Credit (BSR-7) as of 31<sup>st</sup> March 2001.

## **Outline of the Volume**

6. This Volume is divided into five different Sections disseminating credit and deposits data of scheduled commercial banks with reference to various classificatory characteristics. Section 1 presents general information on commercial banking as also the summary data on deposits and credit at the all-India and State level. Section 2 gives State-wise / District-wise distribution of deposits and outstanding credit classified according to population groups and bank groups. Data on distribution of deposits by type of deposits are presented in Section 3. Classification of outstanding credit according to different categories such as size of credit limit, rate of interest, type of organisation, type of account, bank group, State and population group, etc. are given in Section 4. In Section 5, these are further classified according to occupation of the borrower. District and occupation-wise distribution of outstanding credit is also given in Section 5.

7. BSR-1A return provides for identification of the district and population group of the place where the credit is utilised. However, in BSR-1B return, such information is not being collected; it is presumed that in respect of these accounts the credit is utilised in the same place where it has been sanctioned. State and population group-wise data on credit given in Sections 4 and 5 are based on place of utilisation of credit, whereas in Section 2, these are based on place of sanction of credit. In Section 1, when presented with deposits, (Tables 1.3, 1.4 and 1.5) credit is as per place of sanction and when presented separately (Tables 1.10 and 1.11) it is based on place of utilisation. Tables 1.6 to 1.8 give credit according to both the place of sanction and the place of utilisation so as to facilitate comparison.

## Explanatory Notes

8. Brief explanatory notes on some of the tables presented in various Sections of this Volume are given below:

Table 1.1 in Section 1 presents the progress of commercial banking at a glance, based on data collected from different sources as per details given in the 'Notes on Tables'. Table 1.9 presents classification of outstanding credit according to detailed occupations. Table 1.17 gives population group and occupation-wise classification of small borrowal accounts each with credit limit of Rs.2 lakh and less. Table 1.16 gives percentage distribution of small borrowal accounts according to broad category of borrowers and gender-wise classification. Tables 1.13, 1.14 and 1.15 provide truncated distributions of outstanding credit of scheduled commercial banks according to interest rate range, type of account and organisation respectively, for accounts having individual credit limit above Rupees two lakh. Tables 1.21 to 1.23 give the information on deposits of scheduled commercial banks according to broad ownership category. Tables 1.24 to 1.26 give maturity pattern of term deposits according to broad ownership category, population group and bank group, respectively. Table 1.27 gives interest rate range-wise distribution of term deposits. Tables 4.1 to 4.6 in Section 4 and Tables 5.1 to 5.3 in Section 5 provide different truncated distribution relating to outstanding credit of scheduled commercial banks, for accounts having individual credit limit above Rupees two lakh. Table 5.8 provides information on small borrowal accounts having individual credit limit of Rupees two lakh and less.

9. Population groups of the banked centres presented in this Volume are based on the 1991 census. The population groups are defined as follows :

- i) 'Rural' group includes all centres with population of less than 10,000.

- ii) 'Semi-urban' group includes centres with population of 10,000 and above but less than 1 lakh.
- iii) 'Urban' group includes centres with population of 1 lakh and above but less than 10 lakhs.
- iv) 'Metropolitan' group includes centres with population of 10 lakhs and more.

10. Banks have been grouped as under:

- i) State Bank of India and its Associates
- ii) Nationalised banks
- iii) Foreign banks
- iv) Regional rural banks
- v) Other scheduled commercial banks.

11. The totals given in the tables may not exactly tally with the sum of the constituent items on account of rounding off of the figures. The unit lakh is equal to 1,00,000. Throughout this Volume, the symbol '- ' indicates nil or negligible. Figures in brackets indicate percentage to totals. Notes on tables as appropriate to each table are given at the end of the Volume.

12. This Volume is prepared in the Banking Statistics Division of the Department of Statistical Analysis and Computer Services.

## SECTION 1 : SUMMARY TABLES

<i>Table No.</i>		<i>Page No.</i>
1.1	Progress of Commercial Banking at a glance	1
1.2	Distribution of banking centres according to state and population group (As at the end of March 2000 and 2001)	2
1.3	Deposits and credit of scheduled commercial banks according to population group	3
1.4	Deposits and credit of scheduled commercial banks according to bank group	3
1.5	Deposits and credit scheduled commercial banks according to state	4
1.6	Population group-wise outstanding credit of scheduled commercial banks according to place of sanction and utilisation	5
1.7	State-wise outstanding credit of scheduled commercial banks according to place of sanction and utilisation	6
1.8	State and population group-wise outstanding credit of scheduled commercial banks according to place of sanction and utilisation	7
1.9	Outstanding credit of scheduled commercial banks according to occupation	8
1.10	Population group-wise outstanding credit of scheduled commercial banks according to occupation	9
1.11	Percentage distribution of outstanding credit of scheduled commercial banks according to population group and occupation	10
1.12	Outstanding credit of scheduled commercial banks according to size of credit limit	11
1.13	Outstanding credit of scheduled commercial banks according to interest rate range	11
1.14	Outstanding credit of scheduled commercial banks according to type of account	12
1.15	Outstanding credit of scheduled commercial banks according to organisation	13
1.16	Percentage distribution of outstanding credit of small borrowal accounts of scheduled commercial banks according to broad category of borrowers	13
1.17	Population group-wise outstanding credit of small borrowal accounts of scheduled commercial banks according to occupation	14

<b>Table No.</b>		<b>Page No.</b>
1.18	Population group-wise deposits of scheduled commercial banks according of type of deposits	15
1.19	Bank group-wise deposits of scheduled commercial banks according to type of deposits	15
1.20	State-wise deposits of scheduled commercial banks according to type of deposits	16
1.21	Population group-wise deposits of scheduled commercial banks according to broad ownership category	17
1.22	Bank group-wise deposits of scheduled commercial banks according to broad ownership category	17
1.23	State-wise deposits of scheduled commercial banks according to broad ownership category	18
1.24	Maturity pattern to term deposits of scheduled commercial banks according to broad ownership category	19
1.25	Maturity pattern of term deposits of scheduled commercial banks according to population group	19
1.26	Maturity pattern of term deposits of scheduled commercial banks according to bank group	20
1.27	Percentage distribution of term deposits of scheduled commercial banks according to interest rate range	20
1.28	State-wise distribution of employees of scheduled commercial banks according to category	21
1.29	Bank group and population group-wise distribution of employees of scheduled commercial banks according to category	22-23

## **SECTION 2 : DEPOSITS AND CREDIT**

2.1	Population group and bank group-wise deposits and credit (total credit and credit to small borrowal accounts) of scheduled commercial banks	24-25
2.2	State and bank group-wise deposits and credit (total credit and credit to small borrowal accounts) of scheduled commercial banks	26-31

<b>Table No.</b>		<b>Page No.</b>
2.3	State and population group-wise deposits and credit (total credit and credit of small borrowal accounts) of scheduled commercial banks	32-35
2.4	District and population group-wise deposits and credit of Scheduled Commercial Banks	36-62

### **SECTION 3 : DEPOSITS**

3.1	State and population group-wise deposits of scheduled commercial banks according to type of deposits	63-65
3.2	State and bank group-wise deposits of scheduled commercial banks according to type of deposits	66-70
3.3	Population group and bank group-wise deposits of scheduled commercial banks according to type of deposits	71-72
3.4	Maturity pattern of term deposits of scheduled commercial banks according to population group and broad ownership category	73-74
3.5	Maturity pattern of term deposits of scheduled commercial banks according to state	75-79

### **SECTION 4 : CREDIT**

4.1	Size of credit limit and interest rate range-wise classification of outstanding loans and advances of scheduled commercial banks	80-81
4.2	Interest rate range and type of account-wise classification of outstanding loans and advances of scheduled commercial banks	82
4.3	Interest rate range and organisation-wise classification of outstanding loans and advances of scheduled commercial banks	83
4.4	Type of account and organisation-wise classification of outstanding credit of scheduled commercial banks	84
4.5	Size of credit limit and organisation-wise classification of outstanding credit of scheduled commercial banks	85
4.6	Size of credit limit and type of account-wise classification of outstanding credit of scheduled commercial banks	86

4.7	Bank group-wise outstanding credit of scheduled commercial banks according to size of credit limit	87
4.8	Population group and bank group-wise outstanding credit of commercial banks according to broad ranges of credit limit	88-89
4.9	State and population group-wise outstanding credit of scheduled commercial banks	90-91
4.10	State and bank group-wise outstanding credit of scheduled commercial banks	92-94

## **SECTION 5 : OCCUPATION-WISE CLASSIFICATION OF CREDIT**

5.1	Type of account-wise classification of outstanding credit of scheduled commercial banks according to occupation	95-102
5.2	Organisation-wise classification of outstanding credit of scheduled commercial banks according to occupation	103-108
5.3	Interest rate range-wise classification of outstanding loans and advances of scheduled commercial banks according to occupation	109-114
5.4	Size of credit limit-wise classification of outstanding credit of scheduled commercial banks according to occupation	115-120
5.5	Population group and bank group-wise classification of outstanding credit of scheduled commercial banks according to occupation	122-131
5.6	State and bank group-wise classification of outstanding credit of scheduled commercial banks according to occupation	132-201
5.7	State and Population group-wise classification of outstanding credit of scheduled commercial banks according to occupation	202-262
5.8	State and population group-wise classification of outstanding credit of small borrowal accounts of scheduled commercial banks according to occupation	263-280
5.9	District-wise classification of outstanding credit of scheduled commercial banks according to occupation	282-339
	<b>Note on Tables</b>	340-341
	<b>Appendix</b>	342-346

## NOTES ON TABLES

### Table No. 1.1

Classification of bank offices according to population groups for the year 1969 is based on 1961 census. For the period 1993 to 1994 it is based on 1981 census and for the subsequent years i.e. 1995 to 2001 it is based on 1991 census. As such, the population group-wise classification of bank offices is not strictly comparable for all the years. The number of bank offices excludes the administrative offices.

Population per office and per capita deposits and credit are based on estimated mid-year population figures supplied by the Office of the Registrar General, Government of India.

Deposits and credit of scheduled commercial banks in India are as per returns under Section 42(2) of the Reserve Bank of India Act, 1934 and relate to the last reporting Friday of the reference period. Deposits are net of inter-bank deposits and credit is exclusive of dues from banks and bills rediscounted under the New Bill Market Scheme. Aggregate deposits for the years 1999 and 2000 include the proceeds of Resurgent India Bonds amounting to Rs.17,945 crore. For the year 2001 the proceeds of India Millennium Deposits amounting to Rs. 25,662 crore are also included in aggregate deposits. The figures of aggregate deposits are revised from 1996 to 1999 after excluding banks' pension and provident funds amounting to Rs.4,816 crore in 1996, Rs.5,836 crore in 1997, Rs.6,925 crore in 1998 and Rs.8,178 crore in 1999. The ratios based on aggregate deposits presented in this Table for the years 1996 to 1999 are also revised and therefore, may not tally with those published in the earlier Volumes. The ratio of bank deposits to National Income for the years 1994 to 2001 is based on the new series of National Income with 1993-94 as the base year. For the year 1993, it is based on 1980-81 base, and for 1969, the base year is 1970-71.

Advances to Priority Sector consist of the advances to (1) agriculture and allied activities, (2) small-scale industry including loans for setting up industrial estates, (3) small road and water transport operators, (4) small business, (5) professional and self-employed persons, (6) retail trade, (7) state sponsored organisations for scheduled castes/scheduled tribes, (8) education, (9) housing, (10) Self Help Groups (SHGs) / Non-Governmental Organisations (NGOs), (11) consumption loans granted under the consumption credit scheme, (12) net funds provided to sponsored Regional Rural Banks, (13) advances to software industry units having credit limit upto Rs. 1 crore, (14) advances to food and agro-based processing sector which do not satisfy Small Scale Industry norms (15) Credit offered to weaker sections under different schemes and (16) investment in venture capitals. With effect from July 1993 the Priority Sector Advances in respect of Foreign Banks operating in India include export credit provided by them. Scheduled commercial banks' advances to Priority Sectors and the related ratios are exclusive of Regional Rural Banks. Due to change in the definition of the Priority Sector at different times, the data are not strictly comparable for the entire time period.

Investments for the purpose of calculation of Investment-Deposit ratio pertain to investments in Government and Other Approved Securities.

For working out Cash-Deposit ratio, Cash is taken to construe cash in hand and balances with Reserve Bank of India.

### Table No. 1.2

Figures relate to the banked centres served by scheduled commercial banks only. Classification of Population Groups is based on 1991 census.

**Table Nos. 1.13 to 1.15, 4.1 to 4.6 and 5.1 to 5.3**

Data on outstanding credit of scheduled commercial banks in these tables relate to accounts, each with credit limit of over Rs. 2 Lakhs. For Table Nos. 4.1 to 4.3, 4.6 and 5.3 the data are exclusive of Inland & Foreign Bills purchased and discounted. For Table No. 5.2 the total amount includes figures for Foreign Governments/Banks.

**Table Nos. 1.16 and 1.17 and 5.8**

Data relate to accounts with credit limits of Rs. 2 lakh and less. Data on gender-wise classification of outstanding credit of small borrowal accounts in Table No. 1.16 is compiled on the basis of data reported by 58,635 branches under BSR-1B returns.

**Table Nos. 1.21 to 1.24 and 3.4**

For table Nos. 1.21 to 1.24 and 3.4 'Individuals' include Hindu Undivided Families. In case of joint accounts under Individuals, the gender of the first account holder is considered for classifying the account under Male / Female category. The category 'Others' includes Government Sector, Corporate Sector (Non-Financial & Financial excluding Banks) and Other Institutions.

**Table No. 1.27**

Data on interest rate range-wise distribution of term deposits have not been uniformly reported by all the branches which have submitted BSR-2 returns. This table is compiled on the basis of data reported by 56,165 branches.

# APPENDIX

## INFORMATION ON OTHER PUBLICATIONS OF THE BANK ON BANKING STATISTICS

### 1. Statistical Tables Relating to Banks in India

In addition to the explanation provided in the Introduction to this Volume, in respect of the basic difference underlying the two separate publications namely Statistical Tables Relating to Banks in India and this Volume, a brief note on the contents of the publication is given below with a view to facilitate the readers.

The book on '*Statistical Tables Relating to Banks in India*' presents comprehensive data in regard to various aspects in Indian banking, based on data collected through various statutory returns and other statistical returns. The source of data include 'Form-A' returns submitted by the Scheduled Commercial Banks under Section 42 (2) of the Reserve Bank of India Act, 1934 as on the last Friday of every month; 'Form-X' returns under Section 27 of the Banking Regulation Act, 1949 as on the last Friday of every month; the liabilities and assets of Scheduled Commercial Banks in India based on their published annual accounts for the reference period; returns on advances to priority sectors as on last reporting Friday of March, other returns collected by various departments of the Bank as well as summary information based on various Basic Statistical Returns.

The book contains in all 62 tables. Table 1 gives data on liabilities and assets of Reserve Bank of India while tables 2 to 49 give consolidated data covering commercial and co-operative banks and tables 50 and 51 circle-wise distribution of post office savings and time deposits. Tables 52 to 62 are detailed ones, compiled based on published annual accounts of individual banks which provide data on liabilities and assets, income and expenditures, contingent liabilities, movements on Non-Performing assets (NPAs), provisions and contingencies, appropriation of profit, lending to sensitive sectors, maturity pattern of selected items of liabilities and assets, selected profitability and other financial ratios of individual banks. The appendix furnishes details of Number of offices of Scheduled commercial Banks in India and commercial banks' offices in all States and Union Territories compiled based on Master Office File of bank branches. For the benefit of the readers, the list of the tables as appearing in the publication '*Statistical Tables Relating to Banks in India, 2000-2001*' is appended.

### 2. Report on Trend and Progress of Banking in India

This annual publication is brought out by the Reserve Bank of India in terms of Section 36 (2) of the Banking Regulation Act, 1949. The Report for the year 2000-2001 contains five chapters.

The first chapter sets out in a nutshell the banking developments and policy perspectives and discusses some key issues relevant to the healthy development of the banking system. The subsequent four chapters contain detailed reviews of major trends and developments during the year in the fields of commercial banking, co-operative banking including activities of NABARD, other financial institutions (IDBI, UTI, DICGC, EXIM Bank and NHB) and Non-Banking Financial Companies.

### 3. Quarterly Handout

This Handout presents data on deposits and credit of scheduled commercial banks based on BSR-7 Quarterly Returns received from their head offices giving branch-wise figures of aggregate deposits and gross bank credit as on the last Friday of the quarter/ as on last day of March.

### 4. Information on other BSR Surveys

Articles based on data collected through the two annual surveys viz. Survey of Ownership of deposits (BSR-4) and Survey of Investments of scheduled commercial banks (BSR-5), and also the quinquennial Survey on Debits to deposit accounts (BSR-6) are published regularly in the RBI Bulletin.

# CONTENT OF STATISTICAL TABLES RELATING TO BANKS IN INDIA 2000-2001
