

## NOTES ON TABLES

### Table No. 1.1

Classification of bank offices according to population groups for the year 1969 is based on 1961 census. For the years 1997 to 2005, it is based on 1991 census. As such, the population group-wise classification of bank offices is not strictly comparable for all the years. The number of bank offices of scheduled commercial banks excludes the administrative offices. Population per office and per capita deposits and credit are based on estimated mid-year population figures supplied by the Office of the Registrar General, Government of India.

Deposits and credit of scheduled commercial banks in India are as per returns under Section 42(2) of the Reserve Bank of India Act, 1934 and relate to the last Friday of the reference period. Deposits are net of inter-bank deposits and credit is exclusive of dues from banks and bills rediscounted under the New Bill Market Scheme. Aggregate deposits for the years 1999 to 2003; include the proceeds of Resurgent India Bonds amounting to Rs. 17,945 crore. For the years 2001 to 2005, the proceeds of India Millennium Deposits amounting to Rs. 25,662 crore are included in aggregate deposits. The ratio of bank deposits to National Income for the years 1997 to 2005 is based on the new series of National Income with 1993-94 as the base year. For the year 1969, the base year is 1970-71.

Advances to Priority Sectors consist of the advances to (1) agriculture and allied activities, (2) small-scale industries including loans for setting up industrial estates, (3) small road and water transport operators, (4) small business, (5) professional and self-employed persons, (6) retail trade, (7) state sponsored organisations for scheduled castes/scheduled tribes, (8) education, (9) housing, (10) Self Help Groups (SHGs) / Non-Governmental Organisations (NGOs), (11) consumption loans granted under the consumption credit scheme, (12) net funds provided to sponsored Regional Rural Banks, (13) advances to software industry units having credit limit up to Rs. 1 crore, (14) advances to food and agro-based processing sector which do not satisfy Small Scale Industry norms, (15) Credit offered to weaker sections under different schemes and (16) investment in venture capital. With effect from July 1993, the Priority Sector Advances in respect of Foreign Banks operating in India include export credit provided by them. Scheduled commercial banks' advances to Priority Sectors and the related ratios are exclusive of Regional Rural Banks. Due to change in the definition of the Priority Sectors from time to time, the data are not strictly comparable for the entire time span. Investments for the purpose of calculation of Investment-Deposit ratio pertain to investments in Government and Other Approved Securities.

For working out Cash-Deposit ratio, Cash includes, cash in hand and balances with Reserve Bank of India.
