	Chapter I: India's Digital Revolution: Opportunities and Challenges	1-39
1.	Introduction	1
2.	The State of Play	2
3.	Expanding the Opportunities Frontier	9
4.	Future Shocks: Digitalisation's Challenges	21
5.	Digitalisation and the Reserve Bank of India	30
6.	Concluding Observations	31
	Chapter II: Digitalisation and Financial Innovation	40-76
1.	Introduction	40
2.	Financial Innovations: Conceptual Framework and Economic Facilitators	41
3.	Financial Innovations: Adoption by India's Financial Institutions and Customers	43
4.	Collaboration of FinTechs and BigTechs with Financial Institutions (Banks and NBFCs)	51
5.	Digital Lending	55
6.	Financial Innovations: Implications for the Banking Sector	65
7.	Regulatory Concerns and Policy Initiatives	66
8.	Concluding Observations	72
	Chapter III: Digitalisation and Payment Revolution in India	77-112
1.	Introduction	77
2.	Evolution of Digital Payment Systems: A Cross-country Analysis	78
3.	The Digital Payment Revolution in India	85
4.	Impact of Digital Payments	98
5.	Challenges in the Digital Payments Landscape and Way Forward	106
6.	Concluding Observations	108

Sr. No.	Page No.
Chapter IV: Open Economy Digitalisation: Challenges and Opportunities	113-153
1. Introduction	113
2. India's Journey towards Open Economy Digitalisation	115
3. Internationalisation of Digital Public Infrastructure	133
4. Data Embassies and India's Potential	142
5. Challenges to Open Economy Digitalisation	147
6. Concluding Observations	148
Chapter V: Digitalisation - Tackling Emerging Risks and Challenges	154-178
1. Introduction	154
2. Opportunities and Risks of Digitalisation: Insights from a Survey of Banks and NBFCs	155
3. Digitalisation and Customer Behaviour	163
4. Digitalisation: Financial Stability and Macroeconomic Implications	167
5. Concluding Observations	175

LIST OF BOXES

Sr. No.		Page No.
I.1	History of India's Digitalisation	4
I.2	Role of Digitalisation in India's Future Growth Path	10
I.3	Regulation-Innovation Nexus: Peer-to-peer Lending in India	27
II.1	The Impact of Digitalisation on Efficiency of Banks	44
II.2	Bank Risk in the Digital Age	67
II.3	Financial Innovations and Financial Market Liquidity	68
III.1	Determinants of Adoption of Digital Payment Technology: A Cross-country Analysis	84
III.2	Impact of Digital Payments on Money Demand	105
IV.1	Do India's Services Exports Defy the Gravity Model?	122
IV.2	Cost of Remittances to India – The Case for Digital Disruption	127
IV.3	Factors Influencing the Adoption of CBDCs	143
V.1	Data Collection Practices of Banking and FinTech Apps: Assessing the Necessity and Scope	164
V.2	Impact of Digitalisation on Monetary Policy Transmission	173

LIST OF TABLES

Sr. No.		Page No.
I.1	Composition of Employees in Scheduled Commercial Banks (SCBs)	26
II.1	Products that Exited the Regulatory Sandbox and Adopted Commercially	71
III.1	Payments Infrastructure Development Fund (PIDF)	91
III.2	Consumer Digital Payments Awareness - by States	98
III.3	Gains from DBT and Other Governance Reforms of the Union Government	101
IV.1	Granger Causality Test Results between Digitalisation and Cross-Border Digital Trade in Services	117
IV.2	Scenario Assumptions for India's Digital Trade Estimates	121
IV.3a	India's Trade Agreements with e-Commerce/Digital Trade Provisions	129
IV.3b	India's Trade Agreement with e-Commerce/Digital Trade Chapters	129
IV.4	Global Finance – Key Indicators	131
IV.5	Ways to Internationalise the INR	132
IV.6	Major Leading Digital Public Infrastructure and Digital Public Goods in India	134
IV.7	Key Learnings from Cross-Country DPIs	135
IV.8	Roadmap to Enhance Cross-Border Payments: Global Targets to be Achieved by end - 2027	141
V.1	FinTechs and Financial Stability	168

LIST OF CHARTS

Sr. No.		Page No.
I.1	Size of the Core Digital Economy in Select Countries	3
I.2	Region-wise Cashless Payments	3
I.3	Growth in Global FinTech Ecosystem	4
I.4	Digitally Connected Population in India	6
I.5	Trends in Digital Enablers in India	6
I.6	India Stack – Schematic Presentation	7
I.7	<i>Jan Dhan</i> Beneficiaries and <i>RuPay</i> Cards	7
I.8	e-Delivery of Government Services in India by Sector	8
I.9	Payment Infrastructure	8
I.10	Global Footprint of India's DPI	9
I.11	Global Trends in Bank Account Ownership	11
I.12	Global Trends in Mobile Money Account Ownership	11
I.13	Strides in India's Financial Inclusion	12
I.14	Digital Penetration – Lower-Income States Catching Up	12
I.15	Cumulative <i>Gram Panchayats</i> Connected through <i>BharatNet</i>	13
I.16	Digital Literacy Program Beneficiaries	13
I.17	Gender-wise Adoption of Digital Enablers	13
I.18	Gender Divide Goes Down in India	14
I.19	Direct Benefit Transfers in India	14
I.20	Composition of Outstanding Loans	15
I.21	Integration of <i>Mandis</i> with the e-NAM Platform	16
I.22	Distribution of <i>Kisan</i> Credit Card among Agricultural Households	16
I.23	Progress in Digitisation of Land Records	17
I.24	Usage of Electronic Media by Farmers	17
I.25	Digitally Enabled Cross-border Flows in India	18

Sr. No.		Page No.
I.26	Composition of Power Sector in India	19
I.27	Role of ICT in Inflation in India	19
I.28	India's e-Commerce Market – Projected Growth	20
I.29	Herfindahl-Hirschman Index (HHI) of UPI Applications	21
I.30	Security Incidents in India	22
I.31	Industry-wise Distribution of Cyber Attacks India - 2023	22
I.32	Global Average Data Breach Costs	22
I.33	Complaints under RB-IOs, 2022-2023	23
I.34	Dark Patterns	24
I.35	Privacy Practices in FinTech Applications	25
I.36	Top 10 Countries in Embedded Finance Revenue, 2022	25
I.37	Affordability and Speed of Internet Services	25
I.38	Average Employee Turnover Rates in SCBs - 2022-23	26
I.39	Relative AI Skill Penetration Rate	26
I.40	Adoption of Fintech-specific Regulations Worldwide	29
I.41	Artificial Intelligence - Global Landscape	29
II.1	Financial Innovations – A Conceptual Framework	41
II.2	India's GDP Growth	42
II.3	Consumption and Bank Credit	42
II.4	Maturity Profile of Loans and Advances by SCBs	43
II.5	Share in Total Credit of SCBs by Population-group	43
II.6	Share of FinTech Funding in Total Startup Funding in India	43
II.7	Banks' Focus on Digital Technologies	44
II.8	Bank-group wise Focus on Digitalisation and Cyber Security	45
II.9	NBFC-ICCs' Focus on Digitalisation and Cyber Security	46
II.10	Survey on Innovation Adoption by Banks	47
II.11	Growth in the Issuance of Cards	48

Sr. No.		Page No.
II.12	Adoption of Cards for Digital Transactions	48
II.13	Usage of Mobile and Internet Banking by Customers	49
II.14	Mobile Banking Adoption by Customers <i>vis-à-vis</i> Bank Size	49
II.15	User Ratings of Mobile Banking Applications	49
II.16	Bank-group wise Average User Rating of Mobile Banking Applications	50
II.17	Average User Ratings of Mobile Applications – NBFC-ICCs and LSPs	50
II.18	Issuance of Prepaid Payment Instruments (PPIs) to Customers	50
II.19	Overlap in FinTech Activities	51
II.20	FinTech Collaboration Index of Financial Institutions	52
II.21	Services Provided through Collaboration between Banks/NBFCs and FinTechs	52
II.22	Indicators of Embedded Finance in India	53
II.23	BigTech Sales in India	53
II.24	Collaborations of BigTechs with Banks for UPI	54
II.25	BigTech Penetration in UPI Payments	54
II.26	BigTechs' Collaborations with FIs for BNPL and Co-branded Credit Cards	55
II.27	Revenues of B2C e-Commerce Startups in India	55
II.28	BNPL in e-Commerce – Global Picture	55
II.29	Digital Lending Ecosystem in India	56
II.30	Digital Personal Loans of Select SCBs - 2022-23	56
II.31	Lending by FinTechs Registered as NBFC-ICCs	57
II.32	Annual Revenue of Select FinTech LSPs	57
II.33	Lending through e-Commerce Platforms	57
II.34	Characteristics of Loans using FinTechs	58
II.35	FinTech Loan Origination by Value in 2022-23	59

Sr. No.		Page No.
II.36	Distribution of FinTech Personal Loans by Ticket Size	59
II.37	FinTechs Personal Loans by Average Ticket Size	59
II.38	FinTechs Personal Loans by Gender	59
II.39	Share of FinTech Personal Loans by Population Group	60
II.40	Composition of EMI Options on a BigTech Platform	60
II.41	Availability of EMIs across Durations	61
II.42	Flow of Data under AA	62
II.43	Progress of NBFC-AAAs	63
II.44	Progress in MSME Financing through TReDS	64
III.1	Open Loop Payment System (UPI's case)	79
III.2	Closed Loop Payment System	79
III.3	Cross-country Trends in Retail Digital Payments	80
III.4	Relative Importance of Different Forms of Retail Digital Payments, 2022	80
III.5	Retail Digital Payments as Percentage of Total Retail Payments	81
III.6	A2A RTP Transactions	82
III.7	Progress in A2A RTP Payments	82
III.8	Mobile Money	83
III.9	Evolution of Payment System Landscape in India	85
III.10	Payment System in India in a National Innovation Systems (NIS) Framework	88
III.11	Payment System Operators and Systems	90
III.12	Payment Systems Landscape in India	92
III.13	Intensity of Digital Payments Adoption	93
III.14	Retail Payments Trend	94
III.15	Timeline of UPI Evolution and Adoption	95
III.16	Parameters (Weight in Parentheses) and Sub-parameters of RBI's Digital Payments Index (DPI)	95

Sr. No.		Page No.
III.17	RBI - Digital Payments Index	96
III.18	Merchant Digital Payments - Awareness, Adoption and Usage in 2022	96
III.19	Consumer Digital Payments - Awareness, Adoption and Usage in 2022	97
III.20	Consumer Digital Payments - by Age Group	97
III.21	Consumer Digital Payments - by Gender	98
III.22	Deposit Accounts with Commercial Banks	100
III.23	Progress in Financial Inclusion (FI Index)	100
III.24	Currency in Circulation (CiC) to GDP Ratios	103
III.25	CiC and Digital Payments in India	103
III.26	India's Broad Money (M3) and its Components	104
III.27	Digital Literacy across States and UTs, Rural and Urban Areas Combined	107
IV.1	Cross-Country Indicators on Digital Infrastructure and Value Added in ICT Digital Infrastructure - 2022	116
IV.2	Conceptual Framework for Digital Trade	116
IV.3	Open Economy Digitalisation – A Schematic Presentation	117
IV.4	Cross-Border Digital and Non-Digital Trade: India <i>vis-à-vis</i> World	118
IV.5	India's Trade in ICT Goods	119
IV.6	Cross-Border Digital Trade in Services: India <i>vis-à-vis</i> World	120
IV.7	Decomposition of India's Digitally Delivered Services Trade Growth	120
IV.8	Digital Trade Estimates: India <i>vis-à-vis</i> World	122
IV.9	Remittances and Average Sending Cost	124
IV.10	Population Projections: India <i>vis-à-vis</i> Ageing Economies	125
IV.11	Remittances to India	125
IV.12	Banks, MTOs and RemTechs: Forex Margins and Costs	126
IV.13	Digital Trade Policies – Global Trends	129

Sr. No.		Page No.
IV.14	Number of Countries with Real Time Payments System	137
IV.15	Number of Data Centres - 2024	144
IV.16	Data Centre Density - 2024	144
IV.17	Data Centres - Investment and Key Drivers	145
IV.18	Global Enterprise Cloud Strategy	145
IV.19	Sectoral Mapping of Data Localisation Measures	146
IV.20	Revenue from Data Centres	147
IV.21	Global Spending on Cloud and Data Centres	147
V.1	Reasons behind Adoption of Digital Technologies	155
V.2	Types of Costs Reduced Following the Adoption of Digital Technologies and Automation	156
V.3	Impact of Digital Technologies on Customer Acquisition and Retention	156
V.4	Use of Digital Modes in Banks	157
V.5	Types of Loans Provided Digitally	157
V.6	Bank Branches in India	157
V.7	Expectations about the Role of Physical Branches in the Next Five Years	158
V.8	Reasons for Continued Importance of Physical Bank Branches	158
V.9	Current Association between Banks/NBFCs and FinTechs	159
V.10	Effectiveness of Collaboration between Banks/NBFCs and FinTechs in Driving Digital Innovation	159
V.11	Implications of New Innovative Digital Technologies on the Existing Business Models	159
V.12	Primary Challenges Hindering the Successful Adoption of Digital Technologies	160
V.13	Emerging Digital Technologies Impacting Banking in the Next Five Years	160
V.14	Motives behind Use of Cloud Computing Services	160

Sr. No.		Page No.
V.15	Challenges in Using Cloud Computing Services	161
V.16	Potential Risks and Challenges of the Ongoing Digitalisation for the Financial Sector	161
V.17	Types of Risks that are Expected to Arise in Future	161
V.18	Role of Regulations with Respect to FinTechs	162
V.19	Adequacy of Existing Infrastructure to deal with Major Risks	163
V.20	Global BNPL Market Size	164
V.21	Complaints Received under RBI Ombudsman Framework	166
V.22	Distribution of Loan Origination by Lenders in India during 2023-2024	168
V.23	Same Day Processing of Personal Loan Applications	169
V.24	Share of New and Above-Prime Borrowers in FinTech Lending	169
V.25	Banks' UPI Downtime in India	170
V.26	Rolling Regression Estimates of Monetary Policy Transmission	172
V.27	Global AI Adoption	174
