Certificate of Registration of NBFCs

The Reserve Bank on November 10, 2022 cancelled the certificate of registration (CoR) of two non-banking financial companies (NBFC). To read more, please click [here](#). Further, five NBFCs, on November 10, 2022, surrendered the CoR granted to them by the Reserve Bank. The Reserve Bank, in the exercise of powers conferred on it under Section 45-IA (6) of the Reserve Bank of India Act, 1934, has cancelled their CoR. To read more, please click [here](#).

Account Aggregator Framework

The Reserve Bank on November 23, 2022 decided to include goods and services tax network (GSTN) as a financial information provider (FIP) under the Account Aggregator (AA) framework. Department of Revenue shall be the regulator of GSTN for this specific purpose and goods and services tax returns. To read more, please click [here](#).

Letter of Cooperation

The Reserve Bank on November 30, 2022 exchanged letters of cooperation in the field of central counter parties with the objective of improving mutual cooperation with the Financial Services Agency, Japan. The letters confirm the interest of both jurisdictions in enhancing cooperation in line with their respective laws and regulations. To read more, please click [here](#).

III. Banker to Banks

Direct Tax collection

The Reserve Bank on November 14, 2022 decided to modify paragraph 21 of the Master Circular on Conduct of Government Business by Agency Banks - Payment of Agency Commission dated April 1, 2022. The modified paragraph 21 indicates that agency banks are required to submit their claims for agency commission in the prescribed format to CAS Nagpur in respect of Central Government transactions and the respective regional offices of the Reserve Bank for State Government transactions. However, agency commission claims with respect to GST receipt transactions and transactions related to direct tax collection under TIN 2.0 regime will be settled at the Mumbai office only and accordingly all agency banks, authorised to collect GST and direct tax collection under TIN 2.0, are advised to submit their agency commission claims pertaining to the respective receipt transactions at Mumbai office only. VIII. Consumer Education and Protection

Nation-wide Awareness Programme

As a part of several initiatives taken to improve customer awareness and to protect consumer interests, the Reserve Bank, in November 2022, conducted nationwide consumer financial awareness programme, in collaboration with its regulated entities, covering population in rural and semi-urban areas to customise regionally for a better connect and to percolate information on customer rights, customer protection and grievance redress framework. To read more, please click [here](#).

IX. Bank Credit

Sectoral Deployment of Bank Credit

Non-food bank credit registered a growth of 18.3% on a year-on-year (y-o-y) basis in October 2022 as compared with 6.9% a year ago. At the disaggregated level the bank credit growth was supported by the services sector (22.2%) primarily due to improved credit offtake to 'NBFCs', 'commercial real estate' and 'trade' sectors; the industry sector (13.6%) led by 'all engineering', 'basic metal & metal products', 'beverage & tobacco', 'cement & cement products', 'chemicals & chemical products', 'construction', 'food processing', 'glass & glassware', 'infrastructure', 'leather & leather products', 'mining and quarrying', 'petroleum, coal products & nuclear fuels', 'vehicles, vehicle parts & transport equipment' and 'wood & wood products'; and by agriculture sector (13.6%). Personal loans during the month expanded by 20.2%. To read more, please click [here](#).

Lending and Deposit Rates of SCBs

RBI released data on lending and deposit rates of scheduled commercial banks (SCBs) for the month of November 2022. Data show that the 1-Year median marginal cost of fund-based lending rate of SCBs increased from 7.90% in October 2022 to 8.05% in November 2022.

Further, the weighted average lending rate (WALR) on fresh rupee loans of SCBs increased by 9 basis points (bps) from 8.59% in September 2022 to 8.68% in October 2022. The WALR on outstanding rupee loans of SCBs increased by 13 bps from 9.22% in September 2022 to 9.35% in October 2022. On the other hand, the weighted average domestic term deposit rate on outstanding rupee term deposits of SCBs increased by 10 bps from 5.39% in September 2022 to 5.49% in October 2022. X. FinTech

Central Bank Digital Currency

The Reserve Bank on November 29, 2022 announced the launch of the first pilot for retail digital Rupee (e₹-R) on December 1, 2022. The pilot would cover select locations in closed user group (CUG) comprising participating customers and merchants. The e₹-R would be in the form of a digital token that represents legal tender. It would be distributed through intermediaries, i.e., banks. Transactions can be both Person to Person (P2P) and Person to Merchant (P2M). Payments to merchants can be made using QR codes displayed at merchant locations. The e₹-R would offer features of physical cash like trust, safety and settlement finality.

Eight banks have been identified for phase-wise participation in this pilot. The first phase will begin with four banks, viz., State Bank of India, ICICI Bank, Yes Bank and IDFC First Bank in four cities across the country. Four more banks, viz., Bank of Baroda, Union Bank of India, HDFC Bank and Kotak Mahindra Bank will join this pilot subsequently. The pilot would initially cover four cities, viz., Mumbai, New Delhi, Bengaluru and Bhubaneswar and later extend to Ahmedabad, Gangtok, Guwahati, Hyderabad, Indore, Kochi, Lucknow, Patna and Shimla. XI. RBI Publications

Report on Municipal Finances

The Reserve Bank on November 10, 2022 released its first edition of the Report on Municipal Finances. Compiling and analysing budgetary data for 201 Municipal Corporations (MCs) across all States, the Report explores 'Alternative Sources of Financing for Municipal Corporations' as its theme.

Highlights:

a) The rapid growth of urbanisation in India has not been accompanied by a corresponding increase in urban infrastructure.

i) The size of the municipal budgets in India is small and the revenues are dominated by property tax collections and devolution of taxes and grants from upper tiers of Government, resulting in lack of financial autonomy.

ii) MCs' capital expenditure is minimal whereas establishment expenses, administrative costs and interest and finance charges is rising.

iii) MCs rely on borrowings from banks, financial institutions, Centre/State governments to finance their resource gaps in the absence of a well-developed market for municipal bonds.

b) MCs need to adopt sound and transparent accounting practices with proper monitoring and documentation and explore different innovative bond and land based financing mechanisms to augment their resources. To read more, please click [here](#).

RBI Bulletin – November 2022

The Reserve Bank on November 18, 2022, released the November 2022 issue of its monthly bulletin. The Bulletin includes eight speeches, five articles and current statistics.

The five articles are: I. State of the Economy; II. When a News Story is More Than Just Text: Evidence from Indian Economy; III. Green Data Centres: Pathway to Sustainable Digitalisation; IV. Payment Flows as Economic Indicators: Nowcasting Using a Hybrid Machine Learning Framework; and V. Transmission of Financial Conditions to Fixed Investment in India: An Empirical Investigation.

I. State of the Economy

The outlook in the global economy remains clouded with downside risks. In India, supply responses in the economy are gaining strength. The inflation is showing signs of easing. Urban demand appears robust. Rural demand is picking up traction.

II. When a News Story is More Than Just Text: Evidence from the Indian Economy

This article constructs sentiment indices on a range of macroeconomic variables and examines their utility for economic analysis in the Indian context. The article highlights that the COVID-19 pandemic depressed sentiment however, with the gradual resumption of economic activities and return to normalcy, sentiments recovered.

III. Green Data Centres: Pathway to Sustainable Digitalisation

This article discusses the importance of data centres for banks and financial institutions, their impact on the environment and the benefits of green data centres. Further, the article offers suggestions that can help banks and financial institutions in

greening their data centres.

IV. Payment Flows as Economic Indicators: Nowcasting Using a Hybrid Machine Learning Framework

The study regarding efficient payments and settlement system examines the use of payments data to nowcast growth in gross value added.

V. Transmission of Financial Conditions to Fixed Investment in India: An Empirical Investigation

In this article, dynamic factor model and vector autoregression approaches are used to construct financial condition indices. Further, the impact of financial conditions on investment growth in India and asymmetry in the relationship is empirically examined to gauge the risks to investment.
