- Notes:** 1. Yearly Average wage rates have been calculated from Monthly Average wage rates.  
2. Missing observations represent either men are not engaged in those occupations because of their non-availability or the activity is connected with the occupation that was not undertaken in the State or the activity is out of season in the State or the number of quotations is less than five.  
3. The average daily wages at all-India level are derived by dividing the sum total of wages by number of quotations of all the states taken together.
