Following Appendices are to be sent along with the return*:

Appendix I - Details of the various on-balance sheet and off-balance sheet items, the risk weights assigned and the risk adjusted value of assets have to be reported in this format. The format enclosed is purely illustrative. PDs are required to adhere to the guidelines on activities permitted to be undertaken by PDs while diversifying business activities.

Appendix II - Details of the market risk charge using the standardised model are required to be reported in the format enclosed.

Appendix III - Details of market risk using the internal model should be reported as per the format enclosed.

Appendix IV - Details of back-testing results for the previous quarter, giving the details of VaR predicted by the model, the actual change in the value of the portfolio and the face value of the portfolio should be reported.

Appendix V - Details of stress testing, giving details of the change in the value of the portfolio for a given change in the yield, should be reported in the format enclosed.

Appendix I
