Statement of Capital Funds, Risk Assets / Exposures and Risk Asset Ratio

1. Part A - Capital Fund and Risk Assets Ratio

(₹ in lakh)

(a) Paid-up Capital Less: Intangible assets and losses Net Paid-up Capital (b) Reserves & Surplus 1. Statutory reserves 2. Capital reserves (see note below) 3. Revaluation Reserves (refer to para 4.1 (x) of this Master Circular) 4. Other reserves (to be specified) 5. Surplus in Profit & Loss Account* Total Capital Funds (a + b) Notes: Capital reserves representing surplus on sales of assets and held in a separate account will be included General/floating provisions and specific provisions made for loan losses and other asset losses or diminution in the value of any assets will not be reckoned as Tier I capital funds. * In case of surplus in P & L Account [not allocated and yet to be approved by AGM] the following assumption may be made: (a) The current year's surplus may be notionally arrived at to the extent recommended by the BOD to be allocated among various reserves/funds and retained in business. (b) Where the BOD have not decided the distribution of the surplus, it may be notionally arrived at on the basis of last 3 years average. B Tier II capital elements (i) Undisclosed reserves (ii) Revaluation reserves (refer to para 4.1 (x) of this Master Circular) (iii) General provisions and loss reserves # (iv) Investment Fluctuation Reserves / Funds (v) Hybrid debt capital instruments (v) Hybrid debt capital instruments (vi) Subordinated debts Total Total of I (A + B) # Includes General Provision on standard assets (subject to restrictions) II Risk Assets (a) Adjusted value of funded risk assets i.e. on Balance Sheet items (to tally with Part `B')		Capital Funds			
Less: Intangible assets and losses Net Paid-up Capital (b) Reserves & Surplus 1. Statutory reserves 2. Capital reserves (see note below) 3. Revaluation Reserves (refer to para 4.1 (x) of this Master Circular) 4. Other reserves (to be specified) 5. Surplus in Profit & Loss Account* Total Capital Funds (a + b) Notes: Capital reserves representing surplus on sales of assets and held in a separate account will be included General/floating provisions and specific provisions made for loan losses and other asset losses or diminution in the value of any assets will not be reckoned as Tier I capital funds. * In case of surplus in P & L Account [not allocated and yet to be approved by AGM] the following assumption may be made: (a) The current year's surplus may be notionally arrived at to the extent recommended by the BOD to be allocated among various reserves/funds and retained in business. (b) Where the BOD have not decided the distribution of the surplus, it may be notionally arrived at on the basis of last 3 years average. B Tier II capital elements (i) Undisclosed reserves (ii) Revaluation reserves (refer to para 4.1 (x) of this Master Circular) (iii) General provisions and loss reserves # (iv) Investment Fluctuation Reserves / Funds (v) Hybrid debt capital instruments (v) Hybrid debt capital instruments (v) Hybrid debt capital instruments (vi) Subordinated debts Total Total of I (A + B) # Includes General Provision on standard assets (subject to restrictions) II Risk Assets (a) Adjusted value of funded risk assets i.e. on Balance Sheet items (to tally with Part `B')	Α	Tier I Capital elements			
Net Paid-up Capital (b) Reserves & Surplus 1. Statutory reserves 2. Capital reserves (see note below) 3. Revaluation Reserves (refer to para 4.1 (x) of this Master Circular) 4. Other reserves (to be specified) 5. Surplus in Profit & Loss Account* Total Capital Funds (a + b) Notes: Capital reserves representing surplus on sales of assets and held in a separate account will be included General/floating provisions and specific provisions made for loan losses and other asset losses or diminution in the value of any assets will not be reckoned as Tier I capital funds. * In case of surplus in P & L Account [not allocated and yet to be approved by AGM] the following assumption may be made: (a) The current year's surplus may be notionally arrived at to the extent recommended by the BOD to be allocated among various reserves/funds and retained in business. I.CASH & BANK BALANCES			
a) Cash in hand (including foreign			
currency notes)			
b) Balance with banks in India			
i) Balance with RBI			
ii) Balances with banks			
Current account (in India and outside			
India)			
Other accounts (in India and outside			
India)			
Current Account balances with other			
primary co-operative banks			
II. Money at Call and Short Notice			
III. INVESTMENTS			
a) Government and other approved			
Securities*			
b) Other (net of depreciation provided)			
IV. ADVANCES**			
Loans and advances, bills purchased and			
discounted and other credit facilities			
a) Claim guaranteed by Govt of India			
b) Claims guaranteed by State Govt			
c) Claims on public sector undertakings of			
Government of India			
d) Claims on PSUs of State Governments			
e) Others			
Notes: 1. Netting may be done only for advances			
collateralised by cash margins in deposits and in			
respect of assets where provisions for depreciation for bad and doubtful debts have been made.			
lor bad and doubtid debts have been made.			
2. Equity investments in subsidiaries, intangible assets			
and losses deducted from Tier I capital should be			
assigned zero weight			
V. Premises (net of depreciation provided)			

^{*} Provision, if any, made for depreciation in investments in Government and other approved securities may be indicated by way of a footnote.

** Provisions held, either general or specific, for bad and doubtful debts and standard assets may be indicated by way of footnote.

3. Part C - Weighed Non-funded Exposures / Off-Balance Sheet Items Each off-Balance Sheet item may be submitted in the format indicated below:

(₹ in Lakh)

Nature of Item	Book Value	Conversion Factor	Equivalent Value	Risk Weight	Adjusted Value

Note: Netting may be done only for advances collateralised by cash margins or deposits and in respect of assets where provisions for depreciation or for bad and doubtful debts.
