P: Provisional.

* Relates to acquisition of shares of Indian companies by non-residents under Section 6 of FEMA, 1999. Data on such acquisitions have been included as part of FDI since January 1996.

** Represents inflow of funds (net) by Foreign Institutional Investors (FIIs).

Figures for equity capital of unincorporated bodies for 2011-12 are estimated based on the average of previous two years.

Represents the amount raised by Indian Corporates through Global Depository Receipts (GDRs) and American Depository Receipts (ADRs).

+ Data for 2011-12 are estimated on the basis of average of previous two years and factoring in the recent trend in Indian Corporate Profitability.

++ Data pertain to inter company debt transactions of FDI entities. For 2011-12 data pertain to April-December.

@ Inflows under the acquisitions of shares in March, August & October 2011 include net FDI on account of transfer of participating interest from Reliance Industries Ltd. to BP Exploration (Alpha).

Note: 1. Data for equity capital of unincorporated bodies and reinvested earnings in the column of the monthly tables, pertain to April-March 2012, which are included in the last column (cumulative FDI). As a result, the monthly total FDI may not match with the cumulative FDI given in the last column.

2. Data on FDI have been revised since 2000-01 with expanded coverage to approach international best practices.

3. These data, therefore, are not comparable with FDI data for previous years. Also see 'Notes on Tables' of Table No 40 & 41.
