# Figures for equity capital of unincorporated bodies for 2010-11 and 2011-12 are estimated based on the average of previous two years.

# # Represents the amount raised by Indian Corporates through Global Depository Receipts (GDRs) and American Depository Receipts (ADRs).

+ Data for 2010-11 and 2011-12 are estimated based on the average of previous two years .

++ Data pertain to inter company debt transactions of FDI entities for the period April-June only.

**Notes:** 1. Data for equity capital of unincorporated bodies, reinvested earnings and other capital in the column of the monthly tables, pertain to April-June 2011, which are included in the last column (cumulative FDI). As a result, the monthly total FDI may not match with the cumulative FDI given in the last column.

2. Data on FDI have been revised since 2000-01 with expanded coverage to approach international best practices.

3. These data, therefore, are not comparable with FDI data for previous years. Also see 'Notes on Tables' of Table No 40 & 41.

4. Monthly data on components of FDI as per expanded coverage are not available.
