P: Provisional.

\* Relates to acquisition of shares of Indian companies by non-residents under Section 6 of FEMA, 1999. Data on such acquisitions have been included as part of FDI since January 1996.

\*\* Represents inflow of funds (net) by Foreign Institutional Investors (FIIs).

# Figures for equity capital of unincorporated bodies for 2011-12 are estimated based on the average of previous two years.

## Represents the amount raised by Indian Corporates through Global Depository Receipts (GDRs) and American Depository Receipts (ADRs).

+ Data for 2011-12 and 2012-13 are estimated on the basis of average of previous two years and factoring in the recent trend in Indian Corporate Profitability.

++ Data pertain to inter company debt transactions of FDI entities. Monthly data on other capital are estimated as average of corresponding months of previous two years.

@ Inflows under the acquisitions of shares in March, August &amp; October 2011 include net FDI on account of transfer of participating interest from Reliance Industries Ltd. to BP Exploration (Alpha).

- Note:**
1. Data for equity capital of unincorporated bodies and reinvested earnings in the column of the monthly tables are estimated for each quarter and equally distributed to three months.
  2. Data on FDI have been revised since 2000-01 with expanded coverage to approach international best practices. These data, therefore, are not comparable with FDI data for previous years. Also see 'Notes on Tables' of Table No.40 & 41.
  3. Data on repatriation/disinvestment of FDI are available on quarterly basis with a lag of three months along with balance of payments statistics. Therefore, data for these items for latest months are estimates.
  4. Foreign investment data in this table may not tally with the same data appearing in the BoP table for the recent period due to late reporting of some data. However, such data would be incorporated in the BoP statistics as per the BoP revision policy.
