- Notes :*
- (1) The coverage of data will be expanded from time to time to include new statistical information as and when it becomes available.
 - (2) Some of the figures included in the tables are provisional and may be revised in later issues. Each issue contains all the revisions made upto the date of publication of the Bulletin.
 - (3) The following symbols have been used throughout this Section :
 - .. = Figure is not available
 - = Figure is nil or negligible
 - P = Provisional
 - (4) Where necessary, each figure has been rounded off to the nearest final digit. For this reason, there may be, in some tables, a slight discrepancy between the sum of the constituent items and the total.
 - (5) A line drawn across a column between two consecutive figures indicates that the figures above and below the line have been compiled on different basis and are not strictly comparable. In each case, a suitable footnote is added.
 - (6) For definitions of important items, sources of data, coverage, scope, method of compilation, etc. a reference may be made to the Explanatory Notes, issued as a supplement to the October 1978 issue of the Bulletin.
 - (7) 1 Lakh = 1,00,000, 1 Million = 10 lakhs, 1 Crore = 10 Million.
