

**Master Circular
on
Guidelines for Issue of Certificates of Deposit**

RBI/2006-07/68

Ref.No. FMD No. 7/02.06.001/2006-07

July 13, 2006

Aashadha 22, 1928 (S)

The Chairmen/Chief Executives of
All Scheduled Banks (excluding RRBs and LABs)
and All-India Term Lending and Refinancing Institutions

Dear Sirs,

Guidelines for Issue of Certificates of Deposit

As you are aware, with a view to further widening the range of money market instruments and giving investors greater flexibility in deployment of their short-term surplus funds, Certificates of Deposit (CDs) were introduced in India in 1989. Guidelines for issue of CDs are presently governed by various directives issued by the Reserve Bank of India, as amended from time to time.

A Master Circular incorporating all the existing guidelines/instructions/directives on the subject has been prepared. It may be noted that this Master Circular consolidates and updates all the instructions/guidelines contained in the circulars listed in the Appendix, in so far as they relate to 'guidelines for issue of CDs'. This master circular has been placed on RBI website at www.mastercirculars.rbi.org.in

Yours faithfully,

**(Chandan Sinha)
Chief General Manager**

Master Circular on

Guidelines for Issue of Certificates of Deposit (CDs) as Amended up to June 30, 2006

- Introduction
- Eligibility

- Loans/Buy-backs
- Format of CDs
- Payment of Certificate
- Issue of Duplicate Certificates
- Accounting
- Standardised Market Practice and Documentation
- Reporting
- Annex I
- Annex II
- Appendix

Introduction

Certificates of Deposit (CDs) is a negotiable money market instrument and issued in dematerialised form or as a Usance Promissory Note, for funds deposited at a bank or other eligible financial institution for a specified time period. Guidelines for issue of CDs are presently governed by various directives issued by the Reserve Bank of India, as amended from time to time. The guidelines for issue of CDs incorporating all the amendments issued till date are given below for ready reference.

Eligibility

2. CDs can be issued by (i) scheduled commercial banks excluding Regional Rural Banks (RRBs) and Local Area Banks (LABs); and (ii) select all-India Financial Institutions that have been permitted by RBI to raise short-term resources within the umbrella limit fixed by RBI.

Aggregate Amount

3. Banks have the freedom to issue CDs depending on their requirements.

4. An FI may issue CDs within the overall umbrella limit fixed by RBI, i.e., issue of CD together with other instruments, viz., term money, term deposits, commercial

papers and inter-corporate deposits should not exceed 100 per cent of its net owned funds, as per the latest audited balance sheet.

Minimum Size of Issue and Denominations

5. Minimum amount of a CD should be Rs.1 lakh, i.e., the minimum deposit that could be accepted from a single subscriber should not be less than Rs. 1 lakh and in the multiples of Rs. 1 lakh thereafter.

Who can Subscribe

6. CDs can be issued to individuals, corporations, companies, trusts, funds, associations, etc. Non-Resident Indians (NRIs) may also subscribe to CDs, but only on non-repatriable basis which should be clearly stated on the Certificate. Such CDs cannot be endorsed to another NRI in the secondary market.

Maturity

7. The maturity period of CDs issued by banks should be not less than 7 days and not more than one year.

8. The FIs can issue CDs for a period not less than 1 year and not exceeding 3 years from the date of issue.

Discount/Coupon Rate

9. CDs may be issued at a discount on face value. Banks/FIs are also allowed to issue CDs on floating rate basis provided the methodology of compiling the floating rate is objective, transparent and market-based. The issuing bank/FI is free to determine the discount/coupon rate. The interest rate on floating rate CDs would have to be reset periodically in accordance with a pre-determined formula that indicates the spread over a transparent benchmark.

Reserve Requirements

10. Banks have to maintain the appropriate reserve requirements, i.e., cash reserve ratio (CRR) and statutory liquidity ratio (SLR), on the issue price of the CDs.

Transferability

11. Physical CDs are freely transferable by endorsement and delivery. Dematted CDs can be transferred as per the procedure applicable to other demat securities. There is no lock-in period for the CDs.

Loans/Buy-backs

12. Banks/FIs cannot grant loans against CDs. Furthermore, they cannot buy-back their own CDs before maturity.

Format of CDs

13. Banks/FIs should issue CDs only in the dematerialised form. However, according to the Depositories Act, 1996, investors have the option to seek certificate in physical form. Accordingly, if investor insists on physical certificate, the bank/FI may inform Financial Markets Department, Reserve Bank of India, Central Office, Fort, Mumbai - 400 001 about such instances separately. Further, issuance of CDs will attract stamp duty. A format (Annex I) is enclosed for adoption by banks/FIs. There will be no grace period for repayment of CDs. If the maturity date happens to be holiday, the issuing bank should make payment on the immediate preceding working day. Banks/FIs may, therefore, so fix the period of deposit that the maturity date does not coincide with a holiday to avoid loss of discount / interest rate.

Security Aspect

14. Since physical CDs are freely transferable by endorsement and delivery, it will be necessary for banks to see that the certificates are printed on good quality security paper and necessary precautions are taken to guard against tampering with the document. They should be signed by two or more authorised signatories.

Payment of Certificate

15. Since CDs are transferable, the physical certificate may be presented for payment by the last holder. The question of liability on account of any defect in the chain of endorsements may arise. It is, therefore, desirable that banks take necessary precautions and make payment only by a crossed cheque. Those who deal in these CDs may also be suitably cautioned.

16. The holders of dematted CDs will approach their respective depository participants (DPs) and have to give transfer/delivery instructions to transfer the demat security represented by the specific ISIN to the 'CD Redemption Account' maintained by the issuer. The holder should also communicate to the issuer by a letter/fax enclosing the copy of the delivery instruction it had given to its DP and intimate the place at which the payment is requested to facilitate prompt payment. Upon receipt of the Demat credit of CDs in the "CD Redemption Account", the issuer, on maturity date, would arrange to repay to holder/transferor by way of Banker's cheque/high value cheque, etc.

Issue of Duplicate Certificates

17. **In case of the loss of physical certificates**, duplicate certificates can be issued after compliance with the following:

- (a) A notice is required to be given in at least one local newspaper
- (b) Lapse of a reasonable period (say 15 days) from the date of the notice in the newspaper; and

(c) Execution of an indemnity bond by the investor to the satisfaction of the issuer of CDs.

18. The duplicate certificate should only be issued in physical form. No fresh stamping is required as a duplicate certificate is issued against the original lost CD. The duplicate CD should clearly state that the CD is a Duplicate one stating the original value date, due date, and the **date of issue (as “Duplicate issued on _____”)**.

Accounting

19. Banks/FIs may account the issue price under the Head “CDs issued” and show it under deposits. Accounting entries towards discount will be made as in the case of “cash certificates”. Banks/FIs should maintain a register of CDs issued with complete particulars.

Standardised Market Practices and Documentation

20. Fixed Income Money Market and Derivatives Association of India (FIMMDA) may prescribe, in consultation with the RBI, for operational flexibility and smooth functioning of the CD market, any standardised procedure and documentation that are to be followed by the participants, in consonance with the international best practices. Banks/FIs may refer to the detailed guidelines issued by FIMMDA in this regard on June 20, 2002.

Reporting

21. Banks should include the amount of CDs in the fortnightly return under Section 42 of the Reserve Bank of India Act, 1934 and also separately indicate the amount so included by way of a footnote in the return.

22. Further, banks/FIs should submit a fortnightly return, as per the format given in Annex II, to the Financial Markets Department, Reserve Bank of India, Central Office Building, Fort, Mumbai – 400 001, Fax ++9122-22700850 within 10 days from the end of the fortnight date.

Annex I

Name of the bank/institution

No.

Rs.-----

Dated -----

NEGOTIABLE CERTIFICATE OF DEPOSIT
