RBI / 2009-10/ 218

RPCD.CO.RF. BC. No.42/07.38.01/ 2009-10

November 13, 2009

All State and Central Co-operative Banks

Dear Sir.

Safe Deposit Lockers

Please refer to Paragraph 5 of our circular RPCD.CO.RF.BC.No.95/ 07.38.01/2006-07

dated May 18, 2007, wherein banks were advised to ensure that the identification code

of the bank / branch is embossed on all the locker keys with a view to facilitate

Authorities in identifying the ownership of the locker keys.

2. In view of practical difficulties reportedly faced by the banks in doing this in respect of

lockers which had already been hired out, the Government of India, Ministry of Finance,

Central Economic Intelligence Bureau, New Delhi has suggested that locker keys could

be embossed with identification code of the bank / branch whenever a party comes to

the bank to operate the locker. The parties could also be contacted telephonically or

through the post for this purpose.

3. You are, therefore, requested to issue necessary instructions to branches to

introduce a system whereby the locker keys could be embossed with the identification

code of the bank /branch as and when the customer visits the branch for operating the

locker. You may also make arrangement for installation of necessary machinery at the

bank/ branch with the help of the vendor company of the locker cabinet for doing this

work. All the locker-hirers should also be advised about the embossing of the locker

keys by the concerned branches. It may be ensured that the identification code is

embossed on the locker keys in the presence of the locker holder only.

4. Please submit compliance to our Regional Office concerned.

Yours faithfully,

(R.C.Sarangi)

Chief General Manager
