Exchange Facility for Public

With a view to facilitate the availability of notes and coins of all denominations to the public, the Reserve Bank of India has made special arrangements for distribution of notes and coins at various suburban branches of Union Bank of India and Bank of India as shown in the annexure.

In order to make available clean currency notes to public in adequate quantity, the Reserve Bank has taken several steps in the recent past. These include making arrangements with the postal authorities in Mumbai for distribution of coins through the post offices in Maharashtra and Goa and opening one currency chest branch on one Sunday in a month at selected centres to exclusively provide currency exchange and distribution of small coins and suck out the bad notes.
