The Reserve Bank of India (RBI) conducted an Art Competition, as part of the commemoration of its 90th year, for fine art students in India. 71 undergraduate fine arts students from 71 colleges in the country participated in the competition.

Eligible artworks focusing on themes associated with the Reserve Bank of India, received during the month of August and September 2024, were displayed and evaluated in an event organised by the Reserve Bank at its New Delhi Regional Office on October 22, 2024. Students and faculty members of participating colleges/institutes from 25 states of India attended the event. The artworks, inspired by Indian art forms showcased the creative talents of undergraduate students at fine art institutes in the country.

A panel of judges from the art world evaluated the artworks. 15 artworks out of the submissions received were awarded and felicitated.

The event also included a panel discussion on evolution of Indian art, influence of social media on art, future of traditional painting forms with advent of digital tools and artificial intelligence, impact of globalisation, art fairs, biennales, etc.
