## RBI launches the September 2020 round of the Inflation Expectations Survey of Households

The Reserve Bank of India has been regularly conducting Inflation Expectations Survey of Households (IESH). The [September 2020 round](#) of the survey is now being launched. The survey aims at capturing subjective assessments on price movements and inflation, of approximately 6,000 households, based on their individual consumption baskets, across 18 cities, viz., Ahmedabad, Bengaluru, Bhopal, Bhubaneswar, Chandigarh, Chennai, Delhi, Guwahati, Hyderabad, Jaipur, Kolkata, Lucknow, Mumbai, Nagpur, Patna, Raipur, Ranchi and Thiruvananthapuram. The survey seeks qualitative responses from households on price changes (general prices as well as prices of specific product groups) in the three months ahead as well as in the one year ahead period and quantitative responses on current, three months ahead and one year ahead inflation rates. The results of this survey provide useful inputs for monetary policy.

The agency, M/s Hansa Research Group Pvt. Ltd., Mumbai has been engaged to conduct the survey of this round on behalf of the Reserve Bank of India over telephone (instead of the regular personal interview mode) in view of the Covid-19 pandemic. For this purpose, the selected households will be approached by the agency and they are requested to provide their response over telephone. Other individuals, who are not approached by the agency can also participate in this survey by providing their responses using the [linked survey schedule](#). The filled in [survey schedule](#) may be e-mailed as per contact details given below. In case of any query/clarification, kindly contact at the following address:
