The Reserve Bank has launched the 2019-2020 round of its annual Survey on Computer Software and Information Technology Enabled Services (ITES) Exports.

The survey, conducted since 2002-03, collects data on various aspects of computer services exports as well as exports of information technology enabled services (ITES) and business process outsourcing (BPO). The survey schedule for 2019-2020 round is required to be filled-in by software and ITES/BPO exporting companies. The soft form of this survey schedule (both in Hindi and English) with in-built validation checks is available on the RBI's website under the head 'Forms' (available under 'More Links' at the bottom of the home page) and sub-head 'Survey', which can be duly filled, validated and submitted by email by August 15, 2020.
