**RBI releases Data on India's International Trade in Services: July 2017**

The Reserve Bank releases monthly data on India's international trade in services with a lag of around 45 days.

The value of exports and imports of services during the month of July 2017 are given in the following Table.

| <b>Table: International Trade in Services</b> |                           |                           |
|---|---------------------------|---------------------------|
| <b>(US\$ Million)</b>                         |                           |                           |
| <b>Month</b>                                  | <b>Receipts (Exports)</b> | <b>Payments (Imports)</b> |
| Apr-17  | 12,904                    | 7,222                     |
| May-17  | 13,430                    | 7,615                     |
| June-17                                       | 13,388                    | 7,457                     |
| July-17                                       | 13,178                    | 7,334                     |

**Note:** Data are provisional.

Monthly data on services are provisional and would undergo revision when the Balance of Payments (BoP) data are released on a quarterly basis.
