Issue of ₹ 50 banknotes without inset letter, with numerals in ascending size in number panels, and without intaglio printing

The Reserve Bank of India will shortly issue ₹ 50 denomination banknotes in the Mahatma Gandhi Series-2005, without inset letter in both the number panels, bearing signature of Dr. Raghuram G. Rajan, Governor, Reserve Bank of India, and the year of printing '2016' printed on the reverse of the banknote.

The design and security features of these banknotes will be similar to the banknotes of ₹ 50 denomination with the ascending font of numerals in both the number panels issued earlier in Mahatma Gandhi Series- 2005, except the following:

Obverse

Intaglio printing

The numeral '50', RBI seal, Mahatma Gandhi's portrait, RBI legend, Guarantee and promise clause, Governor's signature, Ashoka Pillar emblem which were hitherto printed in intaglio (raised printing) are now being printed in offset (without any raised printing). Further, square-shaped identification mark on the left of the banknote has been removed.

Colour

While there is no change in the colour at the reverse, the colour at the obverse is lighter (due to removal of intaglio printing).

Latent Image

The vertical band on the right side of the Mahatma Gandhi's portrait hitherto contained a latent image showing the denominational numeral '50'. The latent image was visible only when the banknote was held horizontally at eye level. This feature is no longer present.

Reverse

There is no change in the reverse of the banknote.

The image of the specimen of the banknote is as follows:

All the banknotes in the denomination of ₹ 50 issued by the Bank in the past will continue to be legal tender.
