Processing of Regulatory Authorisations/Licenses/Approvals through PRAVAAH

The Reserve Bank is committed to achieving end-to-end digitization of all internal workflows involved in regulatory approval processes to enhance efficiency, transparency, and timeliness in service delivery. To this end, the Reserve Bank had launched PRAVAAH (Platform for Regulatory Application, Validation And AutHorisation) portal on [May 28, 2024](#) to streamline online applications for regulatory authorisations, licenses, and approvals ensuring seamless, secure and faster delivery of services in a transparent manner.

2. Adoption of PRAVAAH has seen steady progress and has so far facilitated submission of more than 3000 applications/requests. The portal enables the submission of applications digitally and enables the applicant to monitor the status of the application through the portal itself via SMS and email. So far, 108 forms are available ([Annex](#)) for use in the portal and further, more forms will get added on the portal as the need arises. It has a facility through which the applicant can submit additional information, or clarifications sought by the Reserve Bank. The Reserve Bank will communicate its decision through PRAVAAH in a time bound manner.

3. With effect from May 01, 2025, all applicants, including Regulated Entities (REs) are advised to use PRAVAAH for submitting applications for regulatory authorisations, licenses, and approvals to the Reserve Bank using the application forms already available in the portal. Applications for which a specific form is not available can be submitted using the general-purpose form.

4. In exceptional cases, where members of the public are unable to submit their applications through PRAVAAH system, they may submit their applications directly to the Reserve Bank as hitherto. However, such applications also will be processed through the PRAVAAH system by the Reserve Bank and the applicants will be duly notified of the same.

5. For convenience of users, a user manual, FAQ and videos are available on the portal itself. PRAVAAH portal can be accessed at <https://pravaah.rbi.org.in>.
