523	Salary/other remuneration to employees	Increase	No change	Decrease	Increase	No change	Decrease		

Notes to Block 5: (a): Average level may be obtained as the average of level at the end of four quarters during the corresponding preceding year. (a): In the case of multi product companies, the average of the price changes may be taken into account. (a): Gross profits are defined as total income minus manufacturing expenses, salaries and wages, other expenses and depreciation and other provisions (except tax provision). In other words, profits are gross of interest and tax provision (PBIT). (Net Sales' are sales net of 'rebates and discounts' and 'excise duty and cess'.
