Master Circular Priority Sector Lending - UCBs

1. Introduction on Priority Sector Lending

1.1 At a meeting of the National Credit Council held in July 1968, it was emphasised that commercial banks should increase their involvement in the financing of priority sectors, viz., agriculture and small scale industries. The description of the priority sectors was later formalised in 1972 on the basis of the report submitted by the Informal Study Group on Statistics relating to advances to the Priority Sectors constituted by the Reserve Bank in May 1971. On the basis of this report, the Reserve Bank prescribed a modified return for reporting priority sector advances and certain guidelines were issued in this connection indicating the scope of the items to be included under the various categories of priority sector. Although initially there was no specific target fixed in respect of priority sector lending, in November 1974 the banks were advised to raise the share of these sectors in their aggregate advances to the level of 33 1/3 percent by March 1979.

1.2 At a meeting of the Union Finance Minister with the Chief Executive Officers of public sector banks held in March 1980, it was agreed that banks should aim at raising the proportion of their advances to priority sector to 40 percent by March 1985. Subsequently, on the basis of the Recommendations of the Working Group on the Modalities of Implementation of Priority Sector Lending and the Twenty Point Economic Programme by Banks (Chairman: Dr. K. S. Krishnaswamy), all commercial banks were advised to achieve the target of priority sector lending at 40 percent of aggregate bank advances by 1985. Sub-targets were also specified for lending to agriculture and the weaker sections within the priority sector. Since then, there have been several changes in the scope of priority sector lending and the targets and sub-targets applicable to various bank groups.

1.3 The guidelines were last revised in the year 2007 based on the recommendations made in September 2005 by the Internal Working Group of the RBI (Chairman: Shri C. S. Murthy). The Sub-Committee of the Central Board of the Reserve Bank (Chairman : Shri Y. H. Malegam) constituted to study issues and concerns in the Micro Finance institutions (MFI) sector, inter alia, had recommended review of the guidelines on priority sector lending.

1.4 Accordingly, Reserve Bank of India in August 2011 set up a Committee to re-examine the existing classification and suggest revised guidelines with regard to Priority Sector lending classification and related issues (Chairman: M V Nair). The recommendations of the committee were placed in the public

domain inviting public comments. The recommendations of the Committee were examined based on the interface with various stakeholders and in the light of the comments / suggestions received from Government of India, banks, financial institutions, Non-Banking Financial Companies, Associations of industries, public and Indian Banks' Association; and revised guidelines were issued on October 8, 2013 in supersession of guidelines mentioned in the [Master Circular UBD BPD \(PCB\) MC No.7/09.09.001/ 2012-13 dated July 02, 2012](#).

2. Categories under priority sector

- (i) Agriculture
- (ii) Micro and Small Enterprises
- (iii) Education Loans
- (iv) Housing Loans
- (v) Others

The eligible activities under the above categories are specified in paragraph 4

3. Targets /Sub-targets for Priority sector

3.1 The targets under priority sector lending would be linked to Adjusted Net Bank Credit (ANBC) (total loans and advance minus bills rediscounted with RBI and other approved Financial Institutions plus investments made after August 30, 2007 in non-SLR bonds under HTM category) or Credit Equivalent amount of Off-Balance Sheet Exposures (OBE), whichever is higher, as on March 31 of the previous year. For the purpose of calculation of credit equivalent of off-balance sheet exposures, banks may use current exposure method. Inter-bank exposures including inter-bank off-balance sheet exposures will not be taken into account for the purpose of priority sector lending targets / sub-targets.

3.2 The targets and sub-targets set under priority sector lending for UCBs are furnished below. The stipulation regarding priority sector lending is not applicable to the Salary Earners' Banks.

Total Priority Sector	40 percent of Adjusted Net Bank Credit [ANBC defined in sub paragraph (i) above] or credit equivalent amount of Off-Balance Sheet Exposure, whichever is higher.
Total agriculture	No target.
Micro & Small Enterprises (MSE)	<p>(i) Advances to micro and small enterprises sector will be reckoned in computing achievement under the overall priority sector target of 40 percent of ANBC or credit equivalent amount of Off-Balance Sheet Exposure, whichever is higher.</p> <p>(ii) 40 percent of total advances to micro and small enterprises sector should go to Micro (manufacturing) enterprises having investment in plant and machinery up to ₹ 10 lakh and micro (service) enterprises having investment in equipment up to ₹ 4 lakh;</p> <p>(iii) 20 percent of total advances to micro and small enterprises sector should go to Micro (manufacturing) enterprises with investment in plant and machinery above ₹ 10 lakh and up to ₹ 25 lakh, and micro (service) enterprises with investment in equipment above ₹ 4 lakh and up to ₹ 10 lakh.</p> <p>The targets for Micro Enterprises within the Micro and Small Enterprises segment (MSE) will be computed with reference to the outstanding credit to MSE as on preceding March 31st.</p>
Advances to Weaker Sections	10 percent of ANBC or credit equivalent amount of Off-Balance Sheet Exposure, whichever is higher.

Note:

(i) Banks should not deduct / net any amount like provisions, accrued interest, etc, from ANBC.

(ii) With effect from the fortnight beginning August 24, 2013, incremental FCNR (B) deposits as also NRE deposits with reference to base date of July 26, 2013, and having maturity of three years and above, mobilized by banks, will be exempted from the maintenance of CRR / SLR. Advances granted in India against the incremental FCNR (B) / NRE deposits qualifying for exemption from CRR / SLR requirements, as detailed above, will also be excluded from Adjusted Net Bank Credit for computation of priority sector targets.

(iii) On a review, it has been decided that the exemption granted on incremental FCNR (B) /NRE deposits from maintenance of CRR/SLR will be withdrawn with effect from reporting fortnight beginning June 14, 2014, i.e., only the eligible amount of incremental FCNR (B) and NRE deposits of maturities of three years and above from the base date of July 26, 2013, and

outstanding as on June 13, 2014, would qualify for CRR/SLR exemption till their maturities/ pre-mature withdrawals. Advances extended in India against the above mentioned incremental FCNR (B)/ NRE deposits, qualifying for exemption from CRR/ SLR requirements, will be eligible for exclusion from Adjusted Bank Credit, till their repayment, for computation of priority sector lending targets.
