FMR-1 Report on Actual or Suspected Frauds in Banks

FMR-3 Quarterly Progress Report on Frauds

FMR-4 Report on Dacoities / Robberies / Thefts / Burglaries

## **1. INTRODUCTION**

- 1.1** Incidence of frauds, dacoities, robberies, etc., in banks is a matter of concern. While the primary responsibility for preventing frauds lies with banks themselves, the Reserve Bank of India (RBI) has been advising banks from time to time about the major fraud prone areas and the safeguards necessary for prevention of frauds. RBI has also been circulating to banks, the details of frauds of an ingenious nature not reported earlier so that banks could introduce necessary safeguards by way of appropriate procedures and internal checks. To facilitate this ongoing process, it is essential that banks report to the Reserve Bank full information about frauds and the follow-up action taken thereon. Banks may, therefore, adopt the reporting system for frauds as prescribed in the following paragraphs.
- 1.2** It has been observed that frauds are, at times, detected in banks long after their perpetration. The fraud reports are also submitted to the RBI, many a time, with considerable delay and without the required information. On certain occasions, the RBI comes to know about frauds involving large amounts only through press reports. Banks should, therefore, ensure that the reporting system is suitably streamlined so that frauds are reported without any delay. Banks must fix staff accountability in respect of delays in reporting fraud cases to the RBI.
- 1.3** Delay in reporting of frauds and the consequent delay in alerting other banks about the modus operandi and issue of caution advices against unscrupulous borrowers could result in similar frauds being perpetrated elsewhere. Banks may, therefore, strictly adhere to the timeframe fixed in this circular for reporting fraud cases to RBI failing which banks would be liable for penal action as prescribed under Section 47(A) of the Banking Regulation Act, 1949 (As applicable to Co-operative Societies).
- 1.4** Banks should specifically nominate a senior official who will be responsible for submitting all the returns referred to in this circular.

## **2. CLASSIFICATION OF FRAUDS**

- 2.1** In order to have uniformity in reporting, frauds have been classified as under, based mainly on the provisions of the Indian Penal Code:

  - a) Misappropriation and criminal breach of trust.
  - b) Fraudulent encashment through forged instruments, manipulation of books of account or through fictitious accounts and conversion of property.
  - c) Unauthorised credit facilities extended for reward or for illegal gratification.

- d) Negligence and cash shortages.
- e) Cheating and forgery.
- f) Irregularities in foreign exchange transactions.
- g) Any other type of fraud not coming under the specific heads as above.

**2.2** Cases of 'negligence and cash shortages' and 'irregularities in foreign exchange transactions' referred to in item (d) & (f) above are to be reported as fraud if the intention to cheat/defraud is suspected/ proved. However, the following cases where fraudulent intention is not suspected/proved at the time of detection will be treated as fraud and reported accordingly:

(a) cases of cash shortages more than ₹10,000.00 and

(b) cases of cash shortages more than ₹ 5,000.00 if detected by management/auditor/inspecting officer and not reported on the day of occurrence by the persons handling cash.

**2.3** To ensure uniformity and to avoid duplication, frauds involving forged instruments may be reported only by the paying banker and not by the collecting banker.

However, in the case of collection of an instrument which is genuine but the amount is collected fraudulently by a person who is not the true owner, the collecting bank, which is defrauded, will have to file fraud report with the RBI.

In case of collection of instrument where the amount has been credited and withdrawn before realisation and subsequently the instrument is found to be fake/forged and returned by the paying bank, it is the collecting bank who has to file FMR-1 with the RBI as they are at loss by parting the amount before realisation of the instrument.

**2.4 Encashment of altered / fake cheques involving two or more branches of same bank**

2.4.1 In case of collection of altered/fake cheque involving two or more branches of the same bank, the branch where the altered/fake cheque has been encashed, should report the fraud to Head Office of the bank. Thereafter, Head Office of the bank will file the fraud report with RBI.

2.4.2 In the event of an altered/fake cheque having been paid/encashed involving two or more branches of a bank under Core Banking Solution (CBS), there could be a possibility of dispute/difference of opinion as to whether the branch where the drawer of the cheque maintains the account or the branch where the encashment has taken place should report the matter to the Head Office of the bank. In such cases also the branch which has released the payment against an altered / fake cheque should report the fraud to the Head

Office. Thereafter, Head Office of the bank will file the fraud report with RBI.

- 2.5** Cases of theft, burglary, dacoity and robbery should not be reported as fraud. Such cases may be reported separately as detailed in paragraph 8.

### **3. REPORTING OF FRAUDS TO RESERVE BANK OF INDIA**

#### **3.1 Frauds involving amounts of less than ₹ 1.00 lakh**

The cases of individual frauds involving amounts of less than ₹ 1.00 lakh are not to be reported individually to the RBI. Statistical data in respect of such frauds should, however, be submitted to RBI in a quarterly statement as detailed in Para 4.1.

#### **3.2 Frauds involving amounts of ₹ 1.00 lakh and above but less than ₹ 25.00 lakh**

The cases of individual frauds involving amounts of ₹ 1.00 lakh and above but less than ₹.25.00 lakh should be reported to the Regional Office of Urban Banks Department of Reserve Bank of India, under whose jurisdiction the Head Office of the bank falls, in the format given in FMR-1, within three weeks from the date of detection.

#### **3.3 Frauds involving amounts of ₹ 25.00 lakh and above**

3.3.1 The cases of individual frauds involving amounts of ₹ 25.00 lakh and above should be reported to Frauds Monitoring Cell, Department of Banking Supervision, Reserve Bank of India, Central Office, World Trade Centre, Centre-1, Cuffe Parade, Mumbai 400005 in the format given in FMR-1, within three weeks from the date of detection. A copy of FMR-1 should also be submitted to the Regional Office of Urban Banks Department of Reserve Bank of India under whose jurisdiction the Head Office of the bank falls.

3.3.2 In addition to the requirement given at paragraph 3.3.1 above, banks may report the fraud by means of D.O. letter addressed to the Chief General Manager-in-Charge of the Department of Banking Supervision, Reserve Bank of India, Central Office, within a week of such fraud coming to the notice of the bank's Head Office. The letter may contain brief particulars of the fraud such as amount involved, nature of fraud, modus operandi in brief, name of the branch/office, names of parties involved (if they are proprietorship/partnership concerns or private limited companies, the names of proprietors, partners and directors), names of officials involved and whether the complaint has been lodged with the Police. A copy of the D.O. letter should also be endorsed to the Regional Office of Urban Banks Department of

Reserve Bank of India under whose jurisdiction the bank's branch, where the fraud has been perpetrated, is functioning.

### **3.4 Frauds committed by unscrupulous borrowers**

3.4.1 It is observed that a large number of frauds are committed by unscrupulous borrowers including companies, partnership firms/proprietary concerns and/or their directors/partners by various methods including the following:

- (i) Fraudulent discount of instruments or kite flying in clearing effects.
- (ii) Fraudulent removal of pledged stocks/disposing of hypothecated stocks without the bank's knowledge/inflating the value of stocks in the stock statement and drawing excess bank finance.
- (iii) Diversion of funds, lack of interest or criminal neglect on the part of borrowers, partners etc. in adhering to financial discipline and managerial failure with malafide intent leading to the unit becoming sick and laxity in effective supervision over the operations in borrowal accounts on the part of the bank functionaries rendering the advance difficult of recovery and resulting in financial loss to the bank.

In respect of frauds in borrowal accounts additional information as prescribed under Part B of FMR – 1 should also be furnished.

### **3.5 Cases of attempted fraud.**

Cases of attempted fraud, where the likely loss would have been ₹ 25.00 lakhs or more had the fraud taken place, should be reported by the bank to the Fraud Monitoring Cell, Department of Banking Supervision, Reserve Bank of India, Central Office, Mumbai within two weeks of the bank coming to know that the attempt to defraud the bank failed or was foiled. The report should cover the following:

- The modus operandi of the attempted fraud.
- How the attempt did not materialise in the fraud or how the attempt failed/was foiled.
- The measures taken by the bank to strengthen the existing systems and controls.
- New systems and controls put in place in the area where fraud was attempted.

Reports on such attempted frauds should be placed before the Audit Committee of the Board.

Such cases should not be included in the other returns to be submitted to RBI.

### **5.1 Reporting of Frauds**

5.1.1 Banks should ensure that all frauds of ₹ 1.00 lakh and above are reported to their Boards promptly on their detection.

and consider initiation of appropriate action against the officials responsible for the fraud.

## **5.2 Quarterly Review of Frauds**

- 5.2.1 Information relating to frauds for the quarters ending March, June and September may be placed before the Audit Committee of the Board of Directors during the month following the quarter to which it pertains, irrespective of whether or not these are required to be placed before the Board/Management Committee in terms of the Calendar of Reviews prescribed by the Reserve Bank of India.
- 5.2.2 These should be accompanied by supplementary material analysing statistical information and details of each fraud so that the Audit Committee of the Board would have adequate material to contribute effectively in regard to the punitive or preventive aspects of frauds.
- 5.2.3 A separate review for the quarter ending December is not required in view of the Annual Review for the year-ending December prescribed below.

## **5.3 Annual Review of Frauds**

  - c) Whether deterrent punishment is meted out, wherever warranted, to the persons found responsible without undue delay.

**6.1** Banks should follow the following guidelines for reporting of frauds such as unauthorised credit facilities extended by the bank for illegal gratification, negligence and cash shortages, cheating, forgery, etc. to the State Police authorities:

- (a) In dealing with cases of fraud/embezzlement, banks should not merely be motivated by the necessity of recovering expeditiously the amount involved, but should also be motivated by public interest and the need for ensuring that the guilty persons do not go unpunished.
- (b) Therefore, as a general rule, the following cases should invariably be referred to the State Police:
  - i. Cases of fraud involving an amount of ₹ 1.00 lakh and above, committed by outsiders on their own and/or with the connivance of bank staff/officers.

- 6.2.3 In case of collection of instruments where the amount has been credited before realisation and subsequently the instrument is found to be fake/forged and returned by the paying bank, it is the collecting bank who has to file a police complaint as they are at loss by paying the amount before realisation of the instrument.

## Instructions for compiling the Fraud Report (FMR 1):

<sup>1</sup> Fraud number: This has been introduced with a view to facilitate computerisation and cross-reference. The number will be an alphanumeric field consisting of the following: four alphabets (to indicate name of bank), two digits for the year (02, 03, etc.), two digits for the quarter (01 for January – March quarter, etc.) and the final four digits being a distinctive running number for the fraud reported during the quarter.<sup>4</sup>

<sup>2</sup> Name of the branch: In case the fraud relates to more than one branch, indicate the name of only one branch where the amount involved has been the highest and/or which is mainly involved in following up the fraud. The names of the other branches may be given in the brief history/modus operandi against item number 9.

<sup>3</sup> Name of party: A distinctive name may be given to identify the fraud. In the case of frauds in borrowal accounts, name of the borrowers may be given. In the case of frauds committed by employees, the name(s) of the employee(s) could be used to identify the fraud. Where fraud has taken place, say, in clearing account/inter-branch account, and if it is not immediately possible to identify the involvement of any particular employee in the fraud, the same may be identified merely as "Fraud in clearing/inter-branch account".

<sup>4</sup> Area of operation where the fraud has occurred: Indicate the relevant area out of those given in column 1 of statement FMR 2 (Part A) (Cash; Deposits (Savings/Current/Term); Non-resident accounts; Advances (Cash credit/Term Loans/Bills/Others); Foreign exchange transactions; Inter-branch accounts; Cheques/demand drafts, etc.; Clearing, etc. accounts; Off-balance sheet (Letters of credit/Guarantee/Co-acceptance/Others); Others)

<sup>5</sup> Nature of fraud: Select the number of the relevant category from the following which would best describe the nature of fraud: (1) Misappropriation and criminal breach of trust, (2) Fraudulent encashment through forged instruments/manipulation of books of account or through fictitious accounts and conversion of property, (3) Unauthorised credit facilities extended for reward or for illegal gratification, (4) Negligence and cash shortages, (5) Cheating and forgery, (6) Irregularities in foreign exchange transactions, (7) Others.

<sup>6</sup> Total amount involved: Amounts should, at all places, be indicated in Rs. lakh up to two decimal places.

<sup>7</sup> Date of occurrence: In case it is difficult to indicate the exact date of occurrence of fraud (for instance, if pilferages have taken place over a period of time, or if the precise date of a borrower's specific action, subsequently deemed to be fraudulent, is not ascertainable), a notional date may be indicated which is the earliest likely date on which the person is likely to have committed the fraud (say, January 1, 2002, for a fraud which may have been committed anytime during the year 2002). The specific details, such as the period over which the fraud has occurred, may be given in the history/modus operandi.

<sup>8</sup> Date of detection: If a precise date is not available (as in the case of a fraud detected during the course of an inspection/audit or in the case of a fraud being reported such on the directions of the Reserve Bank), a notional date on which the same may be said to have been recognised as fraud may be indicated.

<sup>9</sup> Date of reporting to RBI: The date of reporting shall uniformly be the date of sending the detailed fraud report in form FMR 1 to the RBI and not any date of fax or DO letter that may have preceded it.

\* Banks have to categorically mention the nature of audit the branch is subjected to viz. concurrent audit, statutory audit, internal inspection, etc.
