Madam/Dear Sir,

**Interest Subvention Scheme for Short Term Crop Loans during the years 2018-19 and 2019-20**

Please refer to our [circular FIDD CO. FSD. BC. No.21/05.04.001/2017-18 dated June 7, 2018](#) conveying continuation of Interest Subvention Scheme on the interim basis. In this regard, it is advised that Government of India has approved the implementation of the Interest Subvention Scheme with modifications for the years **2018-19 and 2019-20** for short term crop loans up to ₹ 3 lakh with the following stipulations:

- i. In order to provide short-term crop loans upto ₹ 3 lakh to farmers at an interest rate of 7% p.a. during the years 2018-19 and 2019-20, it has been decided to offer interest subvention of 2% per annum to lending institutions viz. Public Sector Banks (PSBs) and Private Sector Commercial Banks (in respect of loans given by their rural and semi-urban branches only). This interest subvention of 2% will be calculated on the crop loan amount from the date of its disbursement/drawal up to the date of actual repayment of the crop loan by the

farmer or up to the due date of the loan fixed by the banks whichever is earlier, subject to a maximum period of one year.

- ii. To provide an additional interest subvention of 3% per annum to such of those farmers repaying in time i.e. from the date of disbursement of the crop loan upto the actual date of repayment by farmers or upto the due date fixed by the banks for repayment of crop loan, whichever is earlier, subject to a maximum period of one year from the date of disbursement. This also implies that the farmers repaying promptly as above would get short term crop loans @ 4% per annum during the years 2018-19 and 2019-20. This benefit would not accrue to those farmers who repay their crop loans after one year of availing such loans.
- iii. In order to discourage distress sale by farmers and to encourage them to store their produce in warehouses, the benefit of interest subvention will be available to small and marginal farmers having Kisan Credit Card for a further period of upto six months post the harvest of the crop at the same rate as available to crop loan against negotiable warehouse receipts issued on the produce stored in warehouses accredited with Warehousing Development Regulatory Authority (WDRA).
- iv. To provide relief to farmers affected by natural calamities, an interest subvention of 2% per annum will be made available to banks for the first year on the restructured loan amount. Such restructured loans will attract normal rate of interest from the second year onwards.
- v. However, to provide relief to the farmers affected due to **severe natural calamities**, an interest subvention of 2 percent per annum will be made available to banks for the first three years/entire period (subject to a maximum of five years) on the restructured loan amount. Further, in all such cases, the benefit of prompt repayment incentive @ 3% per annum shall also be provided to the affected farmers. The grant of such benefits in cases of severe natural calamities shall, however, be decided by a High Level Committee (HLC) based on the recommendation of Inter-Ministerial Central Team (IMCT) and Sub Committee of National Executive Committee (SC-NEC).
- vi. To avoid multiple loaning and to ensure that only genuine farmers avail concessional crop loan through the mechanism of gold loans, the lending

institutions may conduct due diligence and ensure proper documentation including recording of land details even when the farmer avails gold loans for such purposes.

- vii. To ensure hassle-free benefits to farmers under Interest Subvention Scheme, banks are advised to make Aadhar linkage mandatory for availing short-term crop loans in 2018-19 and 2019-20.
- viii. Further, from 2018-19, the Interest Subvention Scheme is being put on **DBT mode** on 'In Kind/services' basis and all short term crop loans processed in 2018-19 are required to be brought on ISS portal / DBT platform. Banks are advised to capture and submit category wise data of beneficiaries under the scheme and report the same on ISS portal individual farmer wise once it is launched to settle the claims arising from 2018-19 onwards.

2. Banks may give adequate publicity to the above scheme so that the farmers can avail the benefits.

3. All lending banks are requested to send us the eligible pending audited claims of 2017-18 latest by **August 30, 2019**. Please note that under no circumstances further extension will be granted in this regard.

4. It is also advised as under:
