4. I have given my careful consideration to the documents on record. Accordingly, I hold that the applicant has contravened the following FEMA provisions issued in terms of:-

(a) Paragraph 9(1)(A) of Schedule 1 to Notification No. FEMA 20/2000-RB for delay in reporting the receipt of consideration towards issue of shares amounting to ₹ 58,15,00,000/- and the delay is 16 days approximately.

5. It has been declared in the compounding application dated November 8, 2018 that the particulars given by the applicant in the application are true and correct to the best of their knowledge and belief. It has been declared in the declaration dated November 8, 2018 furnished with the compounding application that the applicant was not under any enquiry/investigation/adjudication by any agency as on the date of the application and has, in this regard, not informed of initiation of any such enquiry/investigation/adjudication proceedings against it thereafter. Accordingly, the above contraventions which are being compounded in this Order are subject to the veracity of the above declarations made by the applicant and this order is without prejudice to any other action which may be taken by any authority under the extant laws if the said declarations are subsequently discovered to be false and/or incorrect.

6. In terms of Section 13 of the FEMA, any person contravening any provision of the Act shall be liable to a penalty up to thrice the sum involved in such contravention upon adjudication. However, taking into account the relevant facts and circumstances of the case as stated in the foregoing paragraphs, I am persuaded to take a lenient view on the amount for which the contravention is to be compounded and I consider that an amount of **₹88000/- (Rupees Eighty Eight Thousand Only)** will meet the ends of justice.
