Reserve Bank of India established the College of Agricultural Banking (CAB) in 1969 to provide training inputs in Rural and Cooperative Banking. Subsequently, recognising the changing needs of the Indian financial sector, the College has expanded its scope to provide training in other areas like Information Technology, Human Resource Management, General Banking and Non-Banking Financial Services. The College also conducts programmes in collaboration with international agencies like FAO, APRACA, CICTAB, UNDP and the Commonwealth Secretariat. It has earned acknowledgement as an international centre of excellence for development banking. The College also conducts customised training programmes for institutions, both national and international, as per their specific requirements.

The College is committed to enhancing and building capabilities in the financial sector in tune with the changing times.
