Agartala, August 25: Sujit Datta coming from Goburchara village under Hrishamukh R.D Blok has received a total of Rs. 2 lakh cheque of South Sonaichari Branch from Tripura Gramin Bank as nominee of the beneficiary namely Late Beauty Datta Majumder under the Pradhan Mantri Jeevan Jyoti Bima Yojana (PMJJBY).

The yojana provides facility with a one-year renewable term life insurance cover of Rs. 2 lakh for a nominal annual premium of Rs. 436, for individuals aged 18 to 50 years with coverage continuing until the subscriber attains the age of 55 who hold

a savings bank account. The social sector development benefits schemes are really beneficial for the beneficiaries but the lack of awareness among people is the most important in this regard. Keeping it in mind the central government's directions are being implemented by the ongoing three-month state-wide campaign started from 1st July to be continued on September 30th this year focuses on Re-KYC, financial literacy, fraud awareness, and unclaimed deposit access. It is being coordinated by the Lead District Office, CFL team of Bagma Agri Producer Company Limited (BAPCL), banks, government departments, and PRI

members. In a significant step towards achieving Financial Inclusion and Social Security Scheme saturation in Tripura, two special camps were held today at Uttar Sunaichari GP of Hrishyamukh R.D. Block and West Paikhola GP of BC Nagar R.D. Block, organized by Tripura Gramin Bank (TGB) and State Bank of India (SBI), respectively.

The camps were graced by Surendra Nidar, General Manager (OIC), RBI Agartala, and Onsing Marchang, General Manager, RBI Agartala, along with senior officials from PNB, SBI, TSCB, TGB, LDM South Tripura, and Panchayat representatives. Addressing the gatherings, Nidar appreciated the

joint efforts of banks and government agencies in ensuring enrolment under PMJJBY, PMSBY, APY, and Re-KYC of accounts, urging villagers to take full advantage of the schemes. Marchang highlighted the RBI Integrated Ombudsman Scheme, digital grievance redressal, and consumer protection, while also cautioning against common banking frauds.

The active participation of RBI's top management reflects the regulator's commitment to ensure that every household in Tripura is brought under financial inclusion and social security coverage during this period of campaign.
