C. Definitions

4. In these Directions, unless the context otherwise requires, the terms herein shall bear the meaning assigned to them below:

- (1) 'Company' means a company defined under section 3 of the Companies Act, 1956 or corresponding section under the Companies Act, 2013.
- (2) 'Credit Information Companies (CICs)' means companies that have been granted a certificate of registration under section 5 of the CICRA. The CICs registered with RBI under Section 5 of the CICRA are:

Sl. No.	List of the CICs registered with RBI	Date of issue of Certificate of Registration
1.	CRIF High Mark Credit Information Services Private Limited	November 25, 2010
2.	Equifax Credit Information Services Private Limited	March 26, 2010
3.	Experian Credit Information Company of India Private Limited	February 17, 2010

4.	TransUnion CIBIL Limited	March 05, 2012
----	--------------------------	----------------

(3) 'Specified User (SU)' shall have the same meaning assigned to it under clause (I) of section 2 of CICRA and those notified under regulation 3 of the Credit Information Companies Regulations, 2006, hereinafter referred to as "CIC Regulations" (as amended from time to time).

5. Words or expressions used in these Directions and not defined herein, but defined in CICRA, 2005, the Credit Information Companies Rules, 2006 (hereinafter referred to as 'CIC Rules') and the CIC Regulations, shall have the same meanings as assigned to them in these Statute/ Rules/ Regulations. Any other words or expressions used and not defined in these directions or aforesaid Statute/ Rules/ Regulations and defined in Reserve Bank of India Act, 1934 or Banking Regulation Act, 1949 or the Companies Act, 2013 shall have the same meanings as assigned to them in these Acts.

Chapter-II Membership of CICs

6. A CI shall become member of all the CICs registered with the RBI.
7. One-time membership fee charged by the CICs from a CI to become their members shall not exceed ₹10,000 each.
8. The annual fees charged by the CICs from a CI shall not exceed ₹5,000 each.

Chapter-III Credit Information Reporting and Dissemination

A. Data formats

9. The reporting of credit information by a CI to the CICs, shall be undertaken in standardised data formats as prescribed in [Annex I](#). These standardised data formats would be a non-proprietary reporting format and shall be known as 'Uniform Credit Reporting Format' (UCRF) as denoted below:
- (1) Form 1: Uniform Credit Reporting Format (Consumer) – for consumer segment.
 - (2) Form 2: Uniform Credit Reporting Format (Commercial) – for commercial segment.
 - (3) Form 3: Uniform Credit Reporting Format (MFI) – for microfinance segment.

B. Reporting timelines and updation

10. A CI shall adhere to following guidelines on reporting timelines and updation:
- (1) A CI shall submit data on credit information of its borrowers (including historical data) to all CICs.
 - (2) A CI shall keep the credit information collected / maintained by it, updated regularly on a fortnightly basis (i.e., as on 15th and last day of the respective month) or at shorter intervals as mutually agreed upon between the CI and CIC. The fortnightly submission of credit information by a CI to CICs shall be ensured within seven calendar days of the relevant reporting fortnight. CICs shall provide a list of CIs which are not adhering to the fortnightly data submission timelines to Department of Supervision, Reserve Bank of India, Central Office at half yearly intervals (as on March 31 and September 30 each year) for information and monitoring purposes.
 - (3) A CI shall ensure that the records submitted to CICs are updated regularly and that no instances of repayment, including that of the last instalment, are left unreported.

C. Reporting guidelines

11. The CICRA provides statutory backing for sharing of credit information by a CI with CICs, subject to conditions stipulated therein. Therefore, with CICRA coming into force, the requirement of a 'consent clause' has become redundant and a CI need not insist upon obtaining such consent from borrowers.
12. A CI shall adhere to, inter alia, the following guidelines when reporting credit

information in the UCRF:

(1) In the commercial reporting segment, corporate identification number (CIN) and credit history of the directors of the company (based on DIN number) shall be reported.

(2) A CI shall report cases where compromise settlements have taken place and the reason for such compromise settlement, in the prescribed data formats to CICs.

(3) With respect to part instalment overdue, a CI shall submit data as it is, while qualitative information on what filters to apply based on amount and period would be done by the SU and others who make use of the data.

(4) A CI shall use 'settled' status for denoting only specific situations where due to financial inability to repay as per original terms and conditions, either a principal or an interest waiver or both is provided to the customer.

Explanation: A CI needs to be aware of such a situation prior to extending fresh credit to such customers. Cases of wrong debits or contested charges shall not be reported as 'settled' but as 'disputed'.

(5) The information on Commercial Papers (CPs) issued by the companies shall be reported on a fortnightly basis to the CICs by a CI which has been designated as the Issuing and Payment Agent (IPA) for the particular CP issue. If there are multiple IPAs for a single CP issue, each IPA to such issue shall report to the CICs the details pertaining to the portion of the issue which is with them. This information shall be reported in the commercial data format in the fields as mentioned in [Annex II](#). The IPA shall also report any default in the redemption of the relevant CP issue to the CICs. In view of reporting requirement of IPA, it is clarified that an investing CI need not report the information on CPs to the CICs.

(6) The information regarding Unhedged Foreign Currency Exposure (UFCE) of individual borrowers shall be reported on a fortnightly basis to the CICs by the lending CI (in the case of solo lenders) / consortium leader (in the case of consortium arrangements) / largest lender (in the case of multiple lending arrangements).

(7) The cases admitted with National Company Law Tribunal (NCLT) / National Company Law Appellate Tribunal (NCLAT) under the Insolvency and Bankruptcy Code, 2016 shall be reported under the suit-filed cases in the Uniform Credit

Reporting Format, while reporting to the CICs.

(8) The reporting of Relationship Segment (RS) data by a CI to CICs is mandatory for all accounts opened on or after July 01, 2018.

Explanations:

(a) The reporting of shareholders' information under the 'relationship' field of the RS in the Commercial data format should be done only for those shareholders who are 'Beneficial Owners' as defined under the [Reserve Bank of India \(Non-Banking Financial Companies – Know Your Customer\) Directions, 2025](#), as amended from time to time.

(b) The RS details are important in establishing cross-linkages across the three modules, viz., Consumer, Commercial and MFI, while providing comprehensive credit information of a borrower to CIs by CICs.

(c) A timeline for reporting of the remainder legacy data would be reviewed by the Technical Working Group (TWG) and the CIs would be advised in due course. CICs shall furnish the list of CIs not adhering to the instructions on reporting of RS data to the Department of Supervision (DoS), Central office, on a monthly basis.

(9) Guidelines for cross reporting, e.g., where individual is borrower and corporate is coborrower, or vice versa, shall be clearly intimated by CICs. The formats have fields to incorporate the data where consumer data will be reported in the consumer data format and co-borrower will be reported in commercial data format.

13. Data of Self Help Group (SHG) members

(1) A CI financing SHGs shall report the SHG member level data to CICs in the Uniform Credit Reporting Format (MFI) as mentioned in [Annex I](#).

(2) The structure of the credit information in respect of SHG members to be collected and reported by a CI to CICs is set out below:

Sl. No.	Particulars	Annex III
1	Information to be collected by a CI from individual SHG members where the total amount of loan to be attributed to or to be availed by the SHG member exceeds ₹30,000/-	Table 1
2	Information to be collected by a CI from individual SHG members where the total amount of loan to be attributed to or to be availed by the SHG member is <u>upto</u> ₹30,000/-	Table 2

3	Information on all individual SHG members to be reported by a CI to CICs [included under the Uniform Credit Reporting (MFI) format]	Table 3
---	---	---------

(3) The data tables are given in [Annex III](#). As indicated above, a CI shall collect information from all SHG members in Tables 1 and 2 and report it to the CICs as set out in Table 3. The SHG member level data as mentioned in Table 3 shall be subsumed in Form 3: Uniform Credit Reporting format (MFI) of [Annex I](#) for reporting to CICs. The tables have been designed based on the following considerations:

- (i) Some of the information (Item number 17 of Tables 1 and 2) is related to the existing exposures of the SHG members including that of the SHG groups with whom they might have been previously associated. This is intended to help CIs make informed credit decisions with regard to the SHG members. This information may be collected by CIs directly from the CICs based on lead information provided by the SHG members. Hence, there would be no need for CIs to include this information in the dataset reported to the CICs as per Table 3.
- (ii) The collection and reporting of credit information in respect of SHG members will be restricted to the members of those SHGs that take loans exceeding ₹1,00,000/-. However, the members of all SHGs, regardless of the amount of group loan, shall report the non-credit information to CIs through the SHG Group at the time when the SHG approaches the CI for a loan.
- (iii) The non-credit information requirements have been designed both from the perspective of identification of the individual borrowers and supplementing the information requirements of banks, regulatory and government development agencies for the purpose of evaluating the flow of credit to various sub-segments of the SHG members and designing suitable credit penetration strategies keeping in view the socio-economic profile of the sub-segments. The information shall be reported by CIs to the CICs in a manner that allows the CICs to identify all members associated with a particular SHG

and a particular person to be identified with all SHGs with whom he/she is/was associated.

(4) A CI shall put in place necessary systems and procedures including making necessary changes to their system software for collections of the relevant information from the SHG members and reporting the required information to the CICs.

- (i) A CI shall have the option to collect and report the SHG member level data either themselves or by outsourcing it to other entities. However, it shall follow all general instructions on outsourcing set out in the [Reserve Bank of India \(Non-Banking Financial Companies – Managing Risks in Outsourcing\) Directions, 2025](#), as amended from time to time, to the extent applicable and shall continue to be responsible for the correctness of the data submitted by the outsourced agencies to the CICs. A CI must put in place appropriate controls to ensure the correctness of the data submitted by the entities to which it is outsourced.
- (ii) A CI shall monitor the NPA levels in the SHG segment on an ongoing basis and collect detailed information from SHG members availing loans exceeding a lower threshold of ₹ 20,000, if the Gross NPA in the SHG segment exceeds 10% or is higher than the gross NPA of the CI by 5 percentage points.
- (iii) Non-adherence to the instructions by a CI shall result in exclusion of non-compliant SHG loan accounts from the loan portfolios eligible to be reckoned for the purpose of complying with the priority sector lending (PSL) targets.

(5) **Other operational instructions**

- (i) At this stage, it is envisaged to capture details of only the credit facilities availed by the SHG members from the CIs. Therefore, any information relating to inter-loaning among the SHG members out of their own savings will not be covered. However, in order to know the overall indebtedness of a SHG member it may be necessary to know their exposures to the SHGs with regard to inter-loaning as well. As part of the continued endeavour to improve the quality of information of a SHG member, the need for capturing the inter-loaning would be reviewed in due course.

- (ii) Given significant challenges in monitoring and reporting the performance of individual loans availed by the SHG members out of the amounts lent by CIs to the SHGs, it is not envisaged to extend the credit reporting system to the monitoring of repayment and recovery of these loans. However, this would be considered in due course.
- (iii) None of the data requirements specified in paragraph 13 should be made a pre- condition for extending loans to the SHGs, though CIs must make sincere efforts to comply with these requirements.
- (iv) A CI may encourage the SHGs to keep written records of loans distributed to their members out of the loan availed including the digitisation scheme for SHGs of NABARD, where applicable, and may consider introducing appropriate incentives in this regard.
- (v) A CI shall develop appropriate policies to deal with applications for credit facilities from members of SHGs / SHGs on whom default is reported by the CICs. Care needs to be taken that the SHGs / individual members are not denied loans merely because of such defaults and CIs should appropriately evaluate the credit history of the members themselves and take into account the economic viability of their activities and the Groups' capacity to service the loan proposed to be taken by considering their loan applications.
- (vi) The credit information relating to individual SHG members shall be collected, reported, and disseminated as per the provisions of the CICRA and the extant RBI directions on credit information reporting.

14. Reporting mechanism after cancellation of Certificate of Registration (CoR)

- (1) In case of cancellation of Certificate of Registration (CoR) of a CI by RBI, either through voluntary submission or supervisory action, CICs shall insert a suitable disclaimer in the records of the CI's borrowers to reflect non-updatability of the record due to closure of the CI in their CIR.
- (2) In order to address the challenges in updating credit information of borrowers of CI whose CoR has been cancelled, CICs and CIs shall implement a credit information reporting mechanism subsequent to cancellation of CoR as under

- (i) A CI, whose CoR has been cancelled by RBI shall be categorised 'Credit Institution' under Section 2(f)(vii) of CICRA.
- (ii) Such a CI shall continue to report credit information of the borrowers onboarded and reported to CICs prior to cancellation of their CoR to all the four CICs till the loan lifecycle is completed or the credit institution is wound up, whichever is earlier.
- (iii) Such a CI shall have access to Credit Information Reports pertaining to only those borrowers which were onboarded and reported to CICs before the cancellation of their CoR.
- (iv) CICs shall not charge the annual and membership fees from such a CI.
- (v) These instructions shall also be applicable to those entities whose CoR has been cancelled by the Reserve Bank of India prior to issuance of these instructions.
- (vi) All other instructions regarding credit information reporting by CIs to CICs shall remain unchanged

D. Rectification of rejected data and review of Data Quality Index (DQI)

- 15. A CI shall rectify the rejected data shared by CICs and re-submit the same within seven days of receipt of such rejection report.
- 16. CICs shall prepare and provide Data Quality Index (DQI) for Consumer, Commercial and Microfinance segments, as provided in [Reserve Bank of India \(Credit Information Companies\) Directions, 2025](#), for assessing the quality of data submissions by CIs to CICs and improving the same over a period of time.
- 17. A CI shall undertake half yearly review of the DQI for all segments to improve the quality of the data being submitted to CICs. A report consisting of issues identified and corrective steps taken shall be placed before its top management by each CI for review within two months from the end of that half-year.

E. Correction of Credit Information Report

- 18. A CI shall abide by the time periods stipulated under CICRA and the Rules and Regulations framed thereunder in respect of updation, alteration of credit information, resolving disputes, etc. Procedure prescribed under Rules 20 and 21 of the CIC Rules, 2006 in this regard shall be adhered to. Deviations from stipulated time limits shall be monitored and commented upon in the periodical

reports/reviews put up to the Board / Committee of Board on customer service.

19. A CI shall have arrangements in place to receive customer requests for rectification of data in CIRs. In order to maintain high data quality, all erroneous data shall be corrected at the source by the CI that originally submitted the data.

Illustrations:

(i) Complaints registered with CIC by the complainant

CIs have maximum 21 days' time and CICs have the remaining period, within the overall time period of 30 days from the date of receipt of the complaint for its resolution. Compensation payable by the CICs/ CIs shall be calculated under various scenarios as illustrated below:

Case 1

- Complaint registered with a CIC on January 1, 2022.
- The CIC seeks confirmation from the CI (for e.g. Bank A) on January 12, 2022.
- Bank A provides confirmation to the CIC on February 2, 2022 (21st day would be February 2, 2022) – no delay by Bank A.
- The CIC resolves and provides rectified CIR to the complainant on February 3, 2022.
- Compensation of ₹300/- shall be provided by the CIC to the complainant for delay of three (3) days beyond the permissible period of 30 days (i.e. in this case by January 31, 2022).

Case 2

- Complaint registered with a CIC on January 1, 2022.
- The CIC seeks confirmation from Bank A on January 5, 2022.
- Bank A provides confirmation to the CIC on January 26, 2022 (i.e. within 21 days) – no delay by Bank A.
- The CIC resolves and provides rectified CIR to the complainant on February 3, 2022.

- Compensation of ₹300/- shall be provided by the CIC to the complainant for delay of three (3) days beyond the permissible period of 30 days (i.e. in this case by January 31, 2022).

Case 3

- Complaint registered with a CIC on January 1, 2022
- The CIC seeks confirmation from Bank A on January 5, 2022.
- Bank A provides confirmation to the CIC on January 28, 2022 (21st day would be January 26, 2022) – 2 days delay by Bank A
- If CIC resolves and provides rectified CIR to the complainant on February 2, 2022 - Compensation of ₹200/- shall be provided by the Bank A to the complainant for a delay of two (2) days beyond the permissible period of 30 days (i.e. in this case by January 31, 2022).
- If CIC resolves and provides rectified CIR to the complainant on February 3, 2022 – Total compensation of ₹300/- (₹200/- by Bank A and ₹100/- by CIC) shall be provided to the complainant for delay of three (3) days beyond the permissible period of 30 days (i.e. in this case by January 31, 2022).

Case 4

- Complaint registered with a CIC on January 1, 2022
- The CIC seeks confirmation from Bank A, Bank B, Bank C, Bank D, Bank E on January 5, 2022 – i.e. the CIC has taken 4 days to seek confirmation.
- For Bank A, B, C, D and E – (21st day would be January 26, 2022)
- If Bank A provides confirmation to CIC on January 26, 2022 – No delay
- If Bank B provides confirmation to CIC on January 31, 2022 – 5 days delay
- If Bank C provides confirmation to CIC on February 2, 2022 – 7 days delay
- If Bank D provides confirmation to CIC on February 4, 2022 – 9 days delay
- If Bank E provides confirmation to CIC on February 6, 2022 – 11 days delay
- Therefore, total delay in resolution of complaint is as follows:

- If the CIC resolves and provides rectified CIR to the complainant on February 6, 2022 – Total compensation of ₹600 shall be provided to the

32
days

complainant, on a weighted average basis, as under, for a delay of 6 days beyond the permissible period of 30 days (i.e. in this case by January 31, 2022):

Explanation: The delay of six days shall be apportioned by the CIs/CICs on weighted average of the extent of delay by each CIs/CICs. In the above case, the overall delay is 6 days and therefore the complainant shall be entitled for total compensation of ₹600. This needs to be apportioned between all the defaulting banks (in this case Bank B, C, D and E). Cumulatively, the delay of all the defaulting banks put together is 32 days (5+7+9+11 days). Therefore, the compensation amount of ₹600 shall be apportioned on weighted average of the delay by each CIs in relation to the overall delay of 32 days in this case.

- Bank A = No compensation
- Bank B = $(5 \times 600) / 32 = ₹93.75$
- Bank C = $(7 \times 600) / 32 = ₹131.25$
- Bank D = $(9 \times 600) / 32 = ₹168.75$
- Bank E = $(11 \times 600) / 32 = ₹206.25$
- CIC = No compensation

• If the CIC resolves and provides rectified CIR to the complainant on February 11, 2022, total days taken by CIC would be 9 days (i.e. 4+ 5 days). Total compensation of ₹1100 shall be provided to the complainant, on a weighted average basis, as under, for delay of 11 days beyond the permissible period of 30 days (i.e. in this case by January 31, 2022):

- Bank A = No compensation
- Bank B = $(5 \times 1100) / 32 = ₹171.88$
- Bank C = $(7 \times 1100) / 32 = ₹240.62$
- Bank D = $(9 \times 1100) / 32 = ₹309.38$
- Bank E = $(11 \times 1100) / 32 = ₹378.12$
- CIC = No compensation (as CIC has taken overall 9 days)

- If the CIC resolves and provides rectified CIR to the complainant on February 15, 2022. CIC has taken 13 days (i.e. 4 days + 9 days) to provide a final rectified CIR. Total compensation of ₹1500 shall be provided to the complainant, on a weighted average basis as under, for the delay of 15 days beyond the permissible period of 30 days (i.e. in this case by January 31, 2022):

- Bank A = No compensation
- Bank B = $(5 \times 1500) / 36 = ₹208.34$
- Bank C = $(7 \times 1500) / 36 = ₹291.66$
- Bank D = $(9 \times 1500) / 36 = ₹375.00$
- Bank E = $(11 \times 1500) / 36 = ₹458.34$
- CIC = $(4 \times 1500) / 36 = ₹166.66$

32 + 4 = 36
days

Case 5

- Complaint registered with a CIC on January 1, 2022
- The CIC seeks confirmation from Bank A on January 5, 2022
- Bank A provides confirmation to the CIC on January 28, 2022 (21st day would be January 26, 2022) – 2 days delay
- If, CIC resolves and provides rectified CIR to Bank A on January 31, 2022 (i.e. resolution done within 30 days of receiving the complaint) - No case for Compensation.

However, the CI would be liable for penal action as deemed fit by the Reserve Bank of India as per provisions of CICRA, 2005 and Rules and Regulations framed thereunder.

(ii) Complaints registered with CIs by the complainant

Case 6

- Complaint registered with a CI (for e.g. Bank A) on January 1, 2022
- Bank A provides rectified details to CIC on January 22, 2022 (21st day would be January 22, 2022) – no delay by Bank A.

- If the CIC resolves and provides rectified CIR to Bank A on January 31, 2022 and Bank A provides the rectified CIR to the complainant on January 31, 2022 – No case for compensation.
- If the CIC resolves and provides rectified CIR to Bank A on January 31, 2022 and Bank A provides the rectified CIR to the complainant on February 1, 2022 – A compensation of ₹100 shall be provided by the Bank A to the complainant for delay of 1 days beyond the permissible period of 30 days (i.e. in this case by January 31, 2022).
- If the CIC resolves and provides rectified CIR to Bank A on February 1, 2022 and Bank A provides the rectified CIR to the complainant on February 1, 2022 - A compensation of ₹100 shall be provided by the CIC to the complainant for delay of 1 day beyond the permissible period of 30 days (i.e. in this case by January 31, 2022).
- If the CIC resolves and provides rectified CIR to Bank A on February 1, 2022 and Bank A provides the rectified CIR to the complainant on February 2, 2022 - Total compensation of ₹200 shall be provided [₹100 by the CIC and ₹100 by Bank A] to the complainant for delay of 2 day beyond the permissible period of 30 days (i.e. in this case by January 31, 2022).
