  - (2) 'Administrative Office' means a corporate, regional, zonal, or any other office, by whatsoever name called, that exercises control or oversight functions on units / Banking Outlets / Offices falling under its jurisdiction and undertakes internal administrative functions including oversight of bank's own staff and carries out no banking or business transactions. Direct interface with customers is not permitted.
  - (3) 'Back Offices' means a Central Processing Centre (CPC) or an Office, by whatever name called, that exclusively attends to functions such as data processing, processing of loans, verification and processing of documents, issuance of cheque books, demand drafts etc. on requests received from other Banking Outlets and carries out other functions incidental to banking business. Direct interface with customers is not permitted.
  - (4) 'Banking Outlet' is a fixed point service delivery unit, manned by either bank's

staff or its Business Correspondent where services of acceptance of deposits, encashment of cheques / cash withdrawal, or lending of money are provided for a minimum of four hours per day for at least five days a week. It carries uniform signage with name of the bank and authorisation from it, contact details of the controlling authorities and complaint escalation mechanism. The bank should have a regular off-site and on-site monitoring of the 'Banking Outlet' to ensure proper supervision, 'uninterrupted service' except temporary interruptions due to telecom connectivity, etc. and timely addressing of customer grievances. The working hours/days need to be displayed prominently.

A Banking Outlet which does not provide delivery of service for a minimum of four hours per day and for at least five days a week will be considered a 'Part-time Banking Outlet'.

*Explanations:*

- (i) Extension Counters, Satellite Offices, Part-shifted Branches, Ultra Small Branches and Specialised Branches, subject to their satisfying the definition given above, shall be treated as independent 'Banking Outlets' or 'Part-time Banking Outlets', as the case may be.
- (ii) ATMs, E- lobbies, Bunch Note Acceptor Machines (BNAM), Cash Deposit Machines (CDM), E- Kiosks and Mobile Branches will not be treated as 'Banking Outlets'. ### B. Key responsibilities

7. The Board of a bank shall fulfil the following responsibilities:
  - (1) Banking Outlets**
    - (i) The Board shall ensure regular off-site and on-site monitoring system of the 'Banking Outlet' to ensure proper supervision, 'uninterrupted service' and timely addressing of customer grievances.
    - (ii) The Board shall regularly review and monitor the transactions in the Banking Outlets to see that banking services are being transacted in these outlets and more specifically the target customers for financial inclusion are getting the banking facilities in unbanked rural centres.
    - (iii) The Board shall set internal targets for financial inclusion. As Payments

Banks have been set up to further financial inclusion and their client base would primarily be migrant labour workforce, low income households, small businesses, other unorganised sector entities, etc. their internal targets shall be in line with their objectives. Data on centre-wise and tier-wise customer accounts and transactions (Type and number of accounts, deposits received, advances made, remittances processed, outstanding balances, etc.) should be captured on regular basis and the Board shall review the progress in this regard regularly, say on quarterly basis.

- (iv) The Board shall make the above data available to RBI as and when required and called for.

## **(2) Business Correspondent Model (BC)**

- (i) The Board shall approve the policy for engaging Business Correspondents (BCs).

- (iv) The Board of a bank shall review the position of payment of remuneration of BCs and shall also lay down a system of monitoring by the top management of the bank.

## **(3) Doorstep Banking**

- (i) The Board shall review the operation of doorstep banking facility on a half-yearly basis, during the first year of its operation and subsequently on an annual basis.

## Chapter III – Banking Outlet Authorisation

### A. Opening of Banking Outlets

#### A.1 General Conditions

8. A bank shall require prior authorisation of RBI for opening of any Banking Outlets as detailed in paragraph 17 below. The policy covers the opening of ‘Banking Outlets’ in all Tiers as defined on the basis of population as per Census 2011. The tier-wise and population group-wise classification of centres is provided below.

<b>Table 1</b>	
<b>Details of tier-wise classification of centres based on population</b>	
<b>i) Classification of centres (tier-wise)</b>	<b>Population (as per 2011 Census)</b>
Tier 1	1, 00,000 and above
Tier 2	50,000 to 99,999
Tier 3	20,000 to 49,999
Tier 4	10,000 to 19,999
Tier 5	5,000 to 9,999
Tier 6	Less than 5000

  

<b>ii) Population-group wise classification of centres</b>	
Rural Centre	Population up to 9,999
Semi-urban centre	from 10,000 to 99,999
Urban centre	from 1, 00,000 to 9,99,999
Metropolitan centre	10,00,000 and above

9. The opening of ‘Banking Outlets’ during a financial year will be subject to the conditions given below:

- At least 25 percent of the total number of ‘Banking Outlets’ opened during a financial year shall be opened in Rural Centres (RC), as defined in the above table.
- A ‘Part-time Banking Outlet’, opened in any Centre, will be counted and added to the denominator as well as numerator on pro rata basis for computing the

requirement as well as the compliance with the norm of opening 25 percent Banking Outlets in RCs.

*Illustrations:*

The prescribed period for Banking Outlet is 4 hours per day for 5 days (minimum of 20 hours spread over 5 days) this will remain constant denominator. For ensuring that fairly regular service is available to customers, a maximum of 4 hours per day will be counted.

Example 1

- A banking outlet works for 2 hours for 2 days
- Multiplying  $2 \times 2 = 4$  hours out of 20 prescribed hours.
- It will be counted 0.2 (4/20) outlet.
- It would be added to the denominator (if opened in any centre / any tier) and in the numerator (if opened in RC).

Example 2

- A banking outlet works for 6 hours for 3 days
- Max. benefit allowed: 4 hours per day
- Hence  $4 \times 3 = 12$  so  $12/20 = 0.6$  outlet.

Example 3

- Total no. of Banking Outlets (Full time) opened - 100
- Opened in RCs (Full time) – 30
- Opened in RCs (Part time Banking Outlet) - 2 outlets working for 6 hours for 3 days in RCs. Max. Benefit allowed: 4 hours per day
- Hence  $4 \times 3 = 12$  so  $12/20 = 0.6 = 0.6 \times 2 = 1.2$  outlets.
- For computation of 25% RC,
  - Total outlets opened =  $100 + 1.2 = 101.2$
  - Opened in RC =  $30 + 1.2 = 31.2$

- o RC % =  $31.2/101.2 \times 100 = 30.83\%$  (Complies with the norm)

(iii) 'Banking Outlet' / 'Part-time Banking Outlet' opened in any Tier 3 to Tier 6 centre of North-Eastern States and Sikkim as well as in any Tier 3 to 6 centre of Left-wing Extremism (LWE) affected districts as notified by the Government of India from time to time, shall be considered as equivalent to opening a 'Banking Outlet' / 'Part-time Banking Outlet', as the case may be, in a RC. A list of 38 LWE affected districts in 9 States as identified by the Government is provided below.

<b>Table 2</b> <b>Left-wing Extremism (LWE) affected districts</b>	
<u>Andhra Pradesh</u> 1. Alluri Sitaramraju	<u>Kerala</u> 22. Wayanad 23. Kannur
<u>Chhattisgarh</u> 2. Bastar 3. Bijapur 4. Dantewada 5. Dhamtari 6. Gariyaband 7. Kanker 8. Kondagaon 9. Mahasamund 10. Narayanpur 11. Rajnandgaon 12. Sukma 13. Kabirdham 14. Mungeli 15. Mohalla-Manpur-Ambagarh chowki, 16. Khaigarh-Chhuikhadan-Gandai	<u>Madhya Pradesh</u> 24. Balaghat 25. Mandla 26. Dindori
<u>Jharkhand</u> 17. Giridih 18. Gumla 19. Latehar 20. Lohardaga 21. West Singhbhum	<u>Maharashtra</u> 27. Gadchiroli 28. Gondia

	<u>Telangana</u> 36. Bhadrakri-Kothagudem 37. Mulugu
	<u>West Bengal</u> 38. Jhargram

As the overall objective of these guidelines is enabling expansion of banking facilities in these underbanked / underserved centres, each banking outlet opened, irrespective of the banked / unbanked status of the Centre, will be reckoned as having been opened in a RC.

- (iv) The time given to a bank for opening an outlet in a RC is one financial year. If a bank fails to adhere to the requirement of opening 25 percent Banking Outlets in a year, appropriate penal measures, including restrictions on opening of Tier 1 branches, may be imposed.
- 10. To encourage banks to open / frontload more number of banking outlets in rural centres, a bank shall be allowed to carry forward the benefit of the 'Banking Outlets', if any, opened in excess of the requirement specified in paragraph 9(i) above, for a period of next two years. No extension to avail the benefit shall be allowed.
- 11. To enable a bank to have information for identifying a URC, State Level Banker Committee (SLBC) shall play a constructive and proactive role. The SLBCs shall compile and have an updated list of all URC in the State which shall be displayed on its website. This list will facilitate banks to choose / indicate the place where it wishes to open a 'Banking Outlet.' The bank shall inform and coordinate with the SLBC Convenor bank to earmark the centre identified by it. If a bank fails to open the banking outlet in the prescribed period of one year as per paragraph 9(iv) above, the SLBC convenor bank may indicate the centre as available for other banks to open a Banking Outlet. The non-member banks of the SLBC, may also refer to the website and keep the SLBC Convenor bank informed of the centres identified by them.
- 12. If a bank proposes to undertake government business at any of the banking outlets / part-time banking outlets, it shall require prior approval of the Government authority concerned as also of Department of Government and Bank Accounts, Central Office, RBI. The application for the same shall be made using the Pravaah portal (<https://pravaah.rbi.org.in>).

## **A.2 Merger / closure / shifting / conversion of banking outlets**

- 13. A bank may shift, merge or close all 'Banking Outlets' (except rural outlets and sole semi-urban outlets) at its discretion.
- 14. Any rural 'Banking Outlet' as well as a sole semi urban 'Banking Outlet' would require approval of the District Consultative Committee (DCC) / District Level Review Committee (DLRC) for merger, closure and shifting outside a revenue

centre. However, conversion of any rural or sole semi-urban banking outlet into a full-fledged brick and mortar branch and vice versa would not require such approval. While merging / closing / shifting / converting a rural or a sole semi urban ‘Banking Outlet’, the bank and DCC / DLRC shall ensure that the banking needs of the centre continue to be met.

15. A bank shall also ensure that customers of the Banking Outlet, which is being merged / closed / shifted are informed well in time so as to avoid inconvenience to them. Further, the bank shall ensure that it continues to fulfill the role entrusted to these ‘Banking Outlets’ under the Government sponsored programmes and Direct Benefit Transfer Schemes.
16. A bank shall further ensure that ‘Banking Outlets’ are shifted within the same or to a lesser population category, i.e., semi urban ‘Banking Outlets’ to semi urban or rural centres and rural ‘Banking Outlets’ to other rural centres.

### **A.3 Opening of banking outlets – prior authorisation**

17. A bank shall obtain prior authorisation of Department of Regulation, Central Office (DoR, CO), RBI for opening all categories of banking outlets. The bank shall submit its Annual Banking Outlet Expansion Plan (ABOEP) with the consolidated details of proposals for opening, closing, shifting, merger and conversion of these banking outlets as per Proforma given in [Annex I](#). All the applications relating to branch authorisation shall be made using the Pravaah portal (<https://pravaah.rbi.org.in>).
18. A bank shall ensure that all the proposals conform to the guidelines contained in the above paragraphs applicable. On approval of the consolidated proposal, individual proposals for opening new branches at specific centres, for which prior permission is required from RBI, shall be submitted in the prescribed Form VI ([Annex II](#)) in terms of Rule 12 of the Banking Regulation (Companies Rules), 1949, to the DoR, CO for approval using the Pravaah portal (<https://pravaah.rbi.org.in>). The ABOEP and any other proposals required to be submitted to RBI in this regard should have the approval of the Board of Directors of the bank or such other authority to which powers have been delegated by the Board of the bank. The bank shall ensure that an authenticated / certified copy of

such approval is invariably submitted along with these proposals.(3) The validity of the authorisation granted would be one year from the date of the issue of the letter of authorisation / permission. No extension in validity period of the authorisation would be allowed. However, in case a bank is unable to open a particular branch due to genuine reasons during the validity period of one year, it may approach DoR, CO, before expiry of validity period of authorisation for extension of time for a further period not exceeding one year. At centres where the bank fails to open a branch within the validity period of the authorisation i.e. one year (or within the extended time of another year, as the case may be), the permission granted would automatically lapse and if the bank is still interested in opening the branch at that centre, it should include it as a fresh proposal in the next ABOEP.

19. Substitution of centres would not be allowed normally. However, under exceptional circumstances, if banks are unable to open branch at the proposed centre due to genuine problem, banks should approach DBOD, CO along with reasons thereof. The bank should submit Form VI in respect of the new centre. All such requests will be examined on a case-to-case basis. Further, substitution of centres would be allowed to centres of a similar population group or to a lower population group provided banks undertake to open the branch within the period of validity of authorisation issued.

#### **A.4 Mobile Branches**

20. A bank is allowed to open / operate mobile branches in all Centres. These mobile branches shall not be considered as Banking Outlets.

#### **A.5 Administrative Offices, Controlling Offices, Back Offices and Call Centres**

21. A bank shall obtain prior approval of DoR, CO for all categories of offices viz. Administrative Offices (Head / Regional / Zonal Offices, etc.), Training Centres, Controlling Offices, Back Offices (Central Processing Centres (CPCs) / Service Branches), Treasury Branches and Call Centres, etc. Applications for the same shall be made using the Pravaah portal (<https://pravaah.rbi.org.in>).
22. A bank shall ensure that the back offices shall not have any direct interface with customers for them to be not considered as banking outlets.

#### **A.6 Acquisition of Accommodation on Lease / Rental basis**

23. While the norms and procedures for acquisition of accommodation on lease / rental basis by a bank for its use is left to be determined by the bank itself, a bank shall ensure that its Banking Outlets are not functioning from premises unauthorised in law. Further, the bank shall ensure that the legitimate grievances of owners of property leased to the bank are examined at appropriately senior level in the bank and expeditious action taken to redress such grievances.

## **B.2 CDMs / BNAMs**

32. A bank is permitted to install CDMs / BNAMs at centres / places identified by it without having the need to take permission from RBI in each case, subject to following conditions:

## **C.2 Interoperability in BC Model**

38. While a BC can be a BC for more than one bank, at the point of customer interface, a retail outlet or a sub-agent of a BC shall represent the bank which has appointed the BC. However, interoperability is permitted at the retail outlets or sub-agents of BCs (i.e. at the point of customer interface), provided the technology available with the bank, which has appointed the BC, supports interoperability, subject to the following conditions:

However, ensuring compliance with KYC and AML norms under the BC model continues to be the responsibility of the bank. BCs may also be used for Updation / Periodic Updation of KYC .

#### **C.6 Customer confidentiality**

42. A bank shall ensure the preservation and protection of the security and confidentiality of customer information in the custody or possession of BC.

In case there is a need to relax the distance criterion, the District Consultative Committee (DCC) / State level Bankers Committee (SLBC) could consider and approve relaxation on merits in respect of under-banked areas, etc.
45. With a view to providing operational flexibility to the bank and in view of the technological developments in the banking sector, it has been decided to remove the stipulation regarding distance criteria. The bank shall, however, while formulating the Board approved policy for engaging BCs, keep in mind the objectives of adequate oversight of the BCs as well as provision of services to customers while deciding how to modify extant distance criteria.

#### **C.9 Payment of commission / fee**

46. A bank shall pay reasonable commission / fee to the BC, the rate and quantum of which may be reviewed periodically. The agreement with the BC shall specifically prohibit them from charging any fee to the customers directly for services rendered by them on behalf of the bank. Commission structure or incentive mechanism shall be devised in a manner that mere increase in the number of clients served or the transaction volume does not drive the commission. The remuneration shall combine fixed and variable parts dependent, inter-alia, on some indication or measure of customer satisfaction. Some part of the variable remuneration could be deferred or clawed back in case of deficiency of service.
47. A bank (and not BCs) is permitted to collect reasonable service charges from the customers in a transparent manner.

#### **C.10 Transactions put through BC**

48. As engagement of intermediaries such as Business Facilitators / Correspondents

involves significant reputational, legal and operational risks, due consideration shall be given by banks to those risks. The bank shall adopt technology-based solutions for managing the risk, besides increasing the outreach in a cost effective manner. The transactions shall normally be put through ICT devices (handheld device / mobile phone) that are seamlessly integrated to the Core Banking Solution (CBS) of the bank. The transactions shall be accounted for on a real time basis and the customers shall receive immediate verification of their transactions through visuals (screen based) or other means (debit or credit slip).

## **Guidelines on the use of CISBI**

- I. The Reserve Bank has been using the Master Office File (MOF) system for maintaining the information database on locational and business activity details of all banking outlets / offices as reported by banks in terms of extant branch authorisation circulars issued by the regulatory departments [i.e., the Department of Regulation (DoR)] in RBI. The Basic Statistical Returns (BSR) codes (Part-I & Part-II) are allotted through the MOF system. It is also used for providing information on 'branch locator' under the Database of Indian Economy (DBIE) portal (<https://dbie.rbi.org.in>) on the RBI website, which is widely used by banks/general public.
- II. Consistent with the needs of branch licencing and financial inclusion policies as well as the need for requisite coverage of additional dimensions/features in a secure manner, the MOF system is being replaced by a new web-based 'Central Information System for Banking Infrastructure (CISBI)'. The Bank Branch Statistics Division (BBSD) in the Department of Statistics and Information Management (DSIM), Central Office, Reserve Bank of India would be the nodal unit for CISBI and would co-ordinate with other RBI Departments, banks, AIFIs and stakeholders.
- III. Under the new system, information related to Bank, Banking Outlet [Brick & Mortar (B&M) Branch and Fixed-Point Business Correspondent (BC) Outlet], Office, NAOs, other fixed Customer Service Points (CSPs) (e.g., ATMs, Other Customer Services) must be submitted in CISBI. The new system has several enhancements such as: (a) coverage of overseas branches of Indian banks, co-operative banks, ATMs, AD-category, fixed-point banking correspondents (BCs) outlets and centres served under hub-spoke model; (b) geo-coordinates of outlets; (c) mapping of multiple bank-codes (BSR, IFSC and MICR); (d) bank-level information on approval/licence/facilities and (f) scalability with new business models .For accessing CISBI, each bank is allotted two types of user IDs: (i) 'Bank Admin ID' and (ii) 'Bank User ID'. RBI (DSIM-BBSD) will create single 'Bank Admin ID' for each bank, who in turn can themselves create multiple 'Bank User IDs'. Banks can update information related to their bank by using 'Bank Admin ID' and can report new banking outlet or can report any change in

status/address, closure/merger/conversion/ shifting/relocation/upgradation, etc. of existing banking outlets/offices/NAIOs/ CSPs by using both the IDs. However, only 'Bank Admin ID' (and not 'Bank User ID') can make changes in the information related to their Bank.

IV. The bank will be able to submit proforma on their own to CISBI and get the information validated and approved. For getting 'Bank Admin ID', a bank should provide an authorised email ID on which RBI (DSIM-BBSD) can forward 'Bank Admin ID' and its password in two different emails. A new bank seeking reporting access to CISBI, should contact RBI (DSIM-BBSD) for this purpose.

1. For opening an account in CISBI and providing bank code, the bank's request letter should provide details of the bank's nodal person, an email ID for receiving the login credentials and certain basic documents as follows:

- i) Certificate of Incorporation from Registrar of Companies;
- ii) Licence/ Authorisation to carry on banking business from RBI (DBR) along with its covering letter (containing terms & conditions);
- iii) A letter of commencement of business in India;
- iv) Press release by DBR regarding commencement of business;
- v) A copy of Memorandum of Association; and
- vi) A copy of Articles of Association.

2. Based on the documents, as mentioned above, RBI(DSIM-BBSD) will open an account of the bank in CISBI system by filling its 'Basic Details' in the system.

3. System will generate the 'Bank Admin ID' and will automatically send email notification of 'Bank Admin ID' and its Password (in two separate emails) to the designated email ID of the bank.

4. Bank should login on the CISBI portal (<https://cisbi.rbi.org.in>) using its allotted 'Bank Admin ID' and change the allotted password on the first login.

5. Bank should fill all information pertaining to their bank including licence details, address of registered office, head office, corporate office, authorised official for CISBI

reporting, etc. and contact details of Chairman, CMD, MD, compliance officers, authorised official for CISBI reporting, etc. Then submit and publish the information in CISBI.

6. After submission of the complete information related to their bank CISBI will generate Bank-code and Bank Working Code.
7. After getting the Bank / Bank Working Code, banks can create 'Bank User ID' for its internal users. Management of 'Bank User ID' will remain the responsibility of the Bank.
8. Banks can submit the information related to their new banking outlet as per the proforma by login through 'Bank Admin ID' or 'Bank User ID'.
9. For reporting any change in the existing information, banks should edit the existing information and indicate the effective date of change.
10. Banks can also use the facility to access/ download the data related to their bank.
11. 'Instructions for Filling Proforma' are given in [Annex IV](#).
12. Bank must reset the password in every three months. In case, their password expires or it is forgotten, they can login in CISBI and (a) Use 'Bank Admin ID' to reset the password for 'Bank User ID' and (b) contact CISBI helpdesk for resetting the password of 'Bank Admin ID'.
13. Nil Report: Nil report will show the status of the bank in CISBI, i.e., total number of functioning banking outlet/s (B&M branch/fixed point BC outlets), offices, NAIO and other fixed Customer Service Points (CSPs) (ATMs, Other Customer Services, etc.) as on last day of the month and total number of newly-opened and closed banking outlet/s during the month. Report will be generated from CISBI itself and bank will authenticate that their information in CISBI is correct and updated. If a bank finds any difference in the 'Nil Report' generated by CISBI and their actual status, they should first update the information in CISBI by opening or closing or converting the banking channels, then generate 'Nil Report' and submit it through CISBI only (No hard copy is required).

14. Banks shall submit, 'NIL Report' for every month within one week of the reference date (i.e. by 7th of the next month).
