31. The bank can have evening counters at the premises of existing branches in urban / metropolitan centres for providing facilities to the public beyond the normal hours of business so as to bring about improvement in customer service. It is necessary that in such cases the transactions conducted during such extended hours of business are merged with the main accounts of the branch where it is decided to provide the aforesaid facilities.

32. The bank shall give to its constituent due notice about the functions to be undertaken during the extended banking hours through local newspapers, as also by displaying a notice on the notice board at the branch(es) concerned. Further, as and when the hours of business of any of the branches are extended, the concerned clearing house shall be informed.

#### **B.4 Operation of Rural Branches**

33. The bank may at the discretion of its management, treat one day of the week in rural branches, as non-public business working day, so that the branch managers spend it exclusively in the field for contacting their present and potential clientele for development work like mobilisation of deposits, monitoring credit utilisation, recovery and providing appropriate guidance to borrowers. The other staff at the branch would devote the day to keep the house keeping work up-to-date. However, such a day shall fall between two working days. There can be flexibility in fixing the non-business working days keeping local conditions in view, especially the 'Hat' days which occupy an important place in the rural economy, subject to sufficient notice to the public / its customers of its intention. The bank shall ensure that in centres where branches of more than one bank are functioning, one bank among the banks concerned may fix the business hours and the same business hours are adhered to by all of them. The centres having multiple banks operating are very few and any difficulties in arriving at consensus in the matter of fixing a suitable day in a week as Non-Public Business Working Day are not envisaged. Further, if one of the banks operating in a particular centre carries on government business, it alone is exempted from

the purview of the requirement to observe non-public business working day in terms of paragraph 37(3) below.

34. The bank shall review the working of the existing rural branches and consider conversion of regular branches on a selective basis into satellite or mobile branches, wherever feasible. The banks shall consider setting up of regular / satellite / mobile branches at the identified centres in a need based manner. Regarding conversion of existing branches into satellite or mobile branches, necessary amendment to the existing licence shall be obtained from the Reserve Bank of India.

35. The branch managers shall utilise the non-business working day exclusively for visiting villages in the command area for contacting existing and potential customers, mobilisation of deposits, monitoring the use of credit extended and arranging for recovery. In particular, branch managers must ensure that harvesting seasons are effectively used for recovery of dues. They shall also devote as much time as possible on the other working days of the week for doing as much field work as possible besides attending to the office routine. The visits to the villages shall be systematically organised so that all the villages in the command area are covered at least once a quarter, by meeting as many customers as possible during each such visit taking into account the time of availability of the rural folk for such contacts. The bank shall devise appropriate systems to ensure that the branch managers play an effective developmental role by undertaking as much field work as possible by prescribing a suitable diary wherein date-wise details of the villages visited, persons contacted and the work done in each village shall be noted clearly. Such diaries shall be obtained and reviewed by the concerned controlling authorities on a regular basis and during their visits to the branches. The bank shall ensure that a perceptible improvement is recorded in the working of each rural branch as a result of introduction of one non-business working recovery and healthy growth of deposits.

36. A report on the progress in implementation of the above recommendations and the effects thereof on the quality of operations of the rural branches may be placed before the Board of Directors for review and guidance.

37. Further, for the purpose of directions in paragraph 33 to 36, it is clarified as under:

(1) All branches at places with population of 10,000 or less shall be treated as rural branches.

(2) If there is preponderance of non-agricultural activity at a rural centre and closure of the bank branch on a working day causes inconvenience, the bank may consider such cases on merits and make an exception. It is presumed that adequate arrangements exist in such branches to monitor closely the agricultural and rural advances. If there is more than one branch at such a centre, it is desirable that all branches follow the same pattern by a consensus.

(3) If Government business is transacted at a rural branch or which cater to industrial / urban clientele, an exception may be considered as indicated at (2) above.

(4) In the matter of observing Non-Business Working Day, instructions of Reserve Bank of India alone shall prevail and it is outside the purview of any other forum to issue contrary instructions.

It shall be ensured that along with the balance of the account, the relative account opening form, specimen signatures, standing instructions, etc., or the master sheets wherever obtained, are also simultaneously transferred, under advice to the customer.

39. The account transfer form with the enclosures may be handed over to the customer in a sealed cover if he so desires for delivery at the transferee office / branch. However, the transferee office should also be separately supplied with a copy of the account transfer letter.

40. When an office receives an enquiry from a customer regarding the receipt of his / her account on transfer from another office it should take up the matter with the transferor office by electronic means, in case it has not received the balance of the account and / or other related papers even after a reasonable transit time.

41. Customer's account at the new branch will be operationalised within two weeks of receiving his / her request, subject to customer's complying with the required KYC

formalities at the new branch. The bank will intimate the customer as soon as the account is operationalised.

Should the depositor wish to transfer their account, they should make a written application for the transfer to the branch where they maintain their account and send it along with their pass book and unused cheque leaves either to that branch or to the branch to which they wish their account to be transferred.

43. If the customer is not happy about his / her choice of current or savings account (except for term deposit account) within 14 days of making his / her first payment into the account, the bank will help the customer switch to another set of bank accounts or the bank will give the customer money back with any interest it may have earned. The bank will ignore any notice period and any extra charges.

44. If customer decides to close his / her current / savings account, the bank will close the account within five working days of receiving customer's instructions.

185. Further, the bank shall ensure that full address and telephone number of the branch are invariably mentioned in the passbooks / statements of account issued to accountholders.

#### **A.11 Term Deposit Account**

186. Term Deposits shall be accepted as per the guidelines prescribed in [Reserve Bank of India \(Regional Rural Banks – Interest Rate on Deposits\) Directions, 2025](#).

187. Term Deposit account can be opened by individuals, partnership firms, private limited companies, HUFs, etc.

188. The bank shall adhere to the following instructions relating to operations in term deposit accounts:

- (1) The bank shall issue term deposit receipt indicating therein full details, such as, date of issue, period of deposit, due date, applicable rate of interest, etc.
- (2) Term deposits shall be freely transferable from one office of bank to another.
- (3) Advance instructions from depositors for disposal of deposits on maturity shall be obtained in the application form itself. Wherever such instructions are not obtained, the bank shall ensure to send intimation of impending due date of maturity well in advance to its depositors as a rule in order to extend better customer service.
- (4) Change in interest rate on deposits shall be made known to customers as well as bank branches expeditiously.
- (5) Repayment of Term / Fixed Deposits:
  - (i) The signatures of both the depositors need not be obtained for payment of maturity proceeds of Fixed / term deposit accounts that are opened with operating instructions 'Either or Survivor'. However, the signatures of both the depositors may have to be obtained, in case the deposit is to be paid before maturity. If the operating instruction is 'Either or Survivor' and one of the depositors expires before the maturity, no pre-payment of the fixed / term deposit may be allowed without the concurrence of the legal heirs of the deceased joint

holder. This, however, would not stand in the way of making payment to the survivor on maturity.

- (ii) In case the mandate is 'Former or Survivor', the 'Former' alone can operate / withdraw the matured amount of the fixed / term deposit, when both the depositors are alive. However, the signature of both the depositors may have to be obtained, in case the deposit is to be paid before maturity. If the former expires before the maturity of the fixed / term deposit, the 'Survivor' can withdraw the deposit on maturity. Premature withdrawal would however require the consent of both the parties, when both of them are alive, and that of the surviving depositor and the legal heir(s) of the deceased in case of death of one of the depositors.
- (iii) If the joint depositors prefer to allow premature withdrawals of fixed / term deposits also in accordance with the mandate of 'Either or Survivor' or 'Former or Survivor', as the case may be, it would be open to the bank to do so, provided they have taken a specific joint mandate from the depositors for the said purpose. In other words, in case of term deposits with "Either or Survivor" or "Former or Survivor" mandate, the bank is permitted to allow premature withdrawal of the deposit by the surviving joint depositor on the death of the other, only if, there is a joint mandate from the joint depositors to this effect.
- (iv) The bank is advised to invariably incorporate a suitable clause in the account opening form informing joint depositors with the mandate of "Either or Survivor" or "Former or Survivor" about the availability of an option to provide specific joint mandate which facilitates premature withdrawal of the deposit by the surviving joint depositor on the death of the other. The bank shall also inform its existing as well as future term deposit holders about the availability of such an option.
- (v) The joint deposit holders shall be permitted to give the mandate either at the time of placing fixed deposit or anytime subsequently during the term / tenure of the deposit. If such a mandate is obtained, the bank shall allow premature withdrawal of term / fixed deposits by the surviving depositor without seeking the

concurrence of the legal heir(s) of the deceased joint deposit holder. Such premature withdrawal shall not attract any penal charge.

- (vi) When a fixed deposit account is opened in the joint names of two depositors on 'Either or Survivor' basis and the said joint depositors already have a savings bank account in their names jointly on 'Either or Survivor' instructions, on maturity of the fixed deposit, proceeds of the matured fixed deposit can be credited to the joint savings bank account already opened in the bank. A separate savings bank account need not be opened in the name of the first depositor for crediting the proceeds of the fixed deposit.

(6) The bank may, at the request of all the joint account holders, allow the addition or deletion of name/s of joint account holder/s if the circumstances so warrant or allow an individual depositor to add the name of another person as a joint account holder. However, in no case shall the amount or duration of the original deposit undergo a change in any manner in case the deposit is a term deposit.

(7) A bank may, at its discretion, and at the request of all the joint account holders of a deposit receipt, allow the splitting up of the joint deposit, in the name of each of the joint account holders only, provided that the period and the aggregate amount of the deposit do not undergo any change.

*Note:* NRE deposits should be held jointly with non-residents only. NRO accounts may be held by non-residents jointly with residents.

(8) In cases where the Term Deposit accounts are frozen by the enforcement authorities, the bank shall obtain a request letter from the depositor for renewal. The depositor shall be given an option to choose the term for renewal of the deposit. In case the depositor does not exercise the option of choosing the term for renewal, the bank shall renew the same for a term equal to the original term.

(9) The depositor may furnish declaration in Form No.15 G/H (as the case may be) preferably at the commencement of the financial year for receiving interest on deposits without deduction of Tax. However, extant instructions do not allow this declaration to be filed if the interest accrued or earned in an financial year is above ₹50,000/-. The bank is not required to deduct TDS from depositors who submit declaration in Form

15-G / 15-H under Income Tax Rules, 1962. The bank shall give an acknowledgment at the time of receipt of such declaration.

(10) The bank shall provide TDS Certificate in Form 16A, to its customers in respect of whom it has deducted tax at source. The banks shall put in place systems that will enable it to provide Form 16A to the customers well within the time-frame prescribed under the Income Tax Rules.

#### **A.12 Insurance Cover for Deposits (wherever applicable)**

189. All bank deposits, are covered under the insurance scheme offered by Deposit Insurance and Credit Guarantee Corporation of India (DICGC) subject to certain limits and conditions. At present, this cover is up to ₹5 lakh per depositor.

#### **A.13 Power of Attorney**

190. At the request of the depositor, the bank will register mandate / power of attorney given by him authorising another person to operate the account on his behalf.

#### **A.14 Change in Fees and Charges**

191. If the bank increases any of the charges or introduces a new charge, it shall be notified one month prior to the revised charges being levied / becoming effective.

#### **A.15 Acceptance of cash over the counter**

192. The bank shall refrain from incorporating clauses in the terms and conditions which restrict deposit of cash over the counters and ensure that its branches invariably accept cash over the counters from all their customers who desire to do so. In this connection, the bank shall comply with the Know Your Customer requirements for customers and walk-in customers as contained in [Reserve Bank of India \(Regional Rural Banks – Know Your Customer\) Directions, 2025](#) (as amended from time to time).

#### **A.16 Opening accounts in the name of minors with Mothers as guardians**

193. It has been brought to our notice that considerable difficulty is being experienced by women customers in opening bank accounts in the names of minors, with mothers as their guardians. Presumably, the banks are reluctant to accept the mother as a guardian of a minor, while father is alive in view of section 6 of the Hindu Minority and Guardianship

Act, 1956, which stipulates that the father alone should be deemed to be the guardian in such case. To overcome this legal difficulty and to enable the banks to open freely such accounts in the name of minors under the guardianship of their mothers, it has been suggested in some quarters that the above provisions should be suitably amended. While it is true that an amendment of the above Act may overcome the difficulty in the case of Hindus, it will not solve the problem for other communities as minors belonging to Muslim, Christian, Parsi Communities would still be left out unless the laws governing these communities are also likewise amended.

194. The legal and practical aspects of the above problem were, therefore, examined by us in consultation with the Government of India and we are advised that if the idea underlining the demand for allowing mothers to be treated as guardians relates only to the opening of fixed and savings bank accounts, there would seem to be no difficulty in meeting the requirements as, notwithstanding the legal provisions, such accounts could be opened by banks provided they take adequate safeguards in allowing operations in the accounts by ensuring that the minors' accounts opened with mothers as guardians are not allowed to be overdrawn and that they always remain in credit. In this way, the minors' capacity to enter into contract would not be a subject matter of dispute. If this precaution is taken, the banks' interests would be adequately protected. We shall therefore, be glad if you will kindly apprise all your branches of the position as stated above and instruct them to allow minors' accounts (fixed and savings only) with mothers as guardians to be opened, whenever such requests are received by them, subject to the safeguards mentioned above.

195. The instructions on opening and operation in the deposit accounts of minors are given below:

- (1) Minors of any age may be allowed to open and operate savings and term deposit accounts through his / her natural or legal guardian.
- (2) Minors above such an age limit not less than 10 years and up to such amount and such terms as may be fixed by the bank keeping in view its risk management policy, may be allowed to open and operate savings / term deposit accounts independently, if they so desire, and such terms shall be duly conveyed to the account holder.

(3) On attaining the age of majority, fresh operating instructions and specimen signature of the account holder shall be obtained and kept on record. Moreover, if the account is operated by the guardian, the balance shall be got confirmed. The bank shall take advance action, including communicating these requirements to minor account holders attaining the age of majority, to ensure fulfilment of these requirements.

(4) The bank is free to offer additional banking facilities like internet banking, ATM / debit cards, cheque book facility, etc., to the minor account holders basis its risk management policy, product suitability and customer appropriateness.

(5) The bank shall ensure that accounts of minors, whether operated independently or through a guardian, are not allowed to be overdrawn and that these always remain in credit balance.

(6) The bank shall perform customer due diligence for opening of deposit accounts of minors and undertake ongoing due diligence, as per the provisions of [Reserve Bank of India \(Regional Rural Banks – Know Your Customer\) Directions, 2025](#), as amended from time to time.

## **B. Unclaimed Deposits / Inoperative Accounts in banks**

### **B.1 Review of Accounts**

196. The bank shall undertake at least an annual review in respect of accounts, where there is no customer induced transaction for more than a year. In cases where there is no explicit mandate to renew the term deposit, the bank shall review such accounts if the customers have not withdrawn the proceeds after maturity or transferred these to their savings / current account in order to prevent such deposits from becoming unclaimed. The bank shall inform the account / deposit holders in writing through letters or email or SMS (if the email and mobile number are registered with the bank) that there has been no operation in their accounts / deposits in the last one year, as the case may be. The alert messages shall invariably mention that the account would become 'inoperative' if no operations are carried out during the next one year and, the account holder would be required to submit KYC documents afresh for reactivating the account in such case.

197. If the letters are returned undelivered or no response is received through registered email, the bank shall immediately undertake an enquiry to find out the whereabouts of account holder or his / her nominee / legal heirs in case the account holder is deceased.

198. In case any response is received from the account holder giving the reasons for not operating the account, the bank shall continue to classify the account as operative for one more year and the account holder shall be advised to operate the account within a period of one year (herein after referred to as 'extended period'). In case the account holder still fails to operate the account within the extended period, the bank shall classify the said account as inoperative account after the expiry of the extended period.

199. For the purpose of classifying an account as 'inoperative', only customer induced transactions and not bank induced transactions shall be considered. There may be instances where the customer has given a mandate like Standing Instructions (SI) / auto-renewal instructions and there are no other operations in the Savings / Current account or the Term Deposit. These transactions shall also be treated as customer induced transactions.

200. The classification of an account as inoperative shall be for a particular account of the customer and not with reference to the customer. In case a customer is maintaining multiple accounts / deposits with a bank, all such accounts / deposits shall be assessed individually for the purpose of classifying them as inoperative account / unclaimed deposit, as the case may be.

201. In case the account holder is not carrying out transaction and the account is inoperative due to shifting of primary account to another bank, the account holder may be requested to provide the details of the new bank account with authorisation to enable the bank to transfer the balance from the existing bank account.

## **B.2 Treatment of accounts opened for credit of scholarship amount and credit of Direct Benefit Transfer under Government Schemes**

202. Central and State governments have been expressing difficulty in crediting cheques / Direct Benefit Transfer / Electronic Benefit Transfer / scholarship amount in the zero balance accounts opened by the bank for beneficiaries of Central / State government

schemes and for students who receive scholarship, as they are also classified as inoperative due to non-operation for two years. The bank shall, based on the purpose of opening of the account, segregate the aforementioned accounts in its CBS, so that the stipulation of 'inoperative' account is not applicable to these accounts due to their non-operation for a period of more than two years. To avoid the risk of fraud, etc., in such accounts, while allowing operations in these accounts, the bank should exercise due diligence as per the extant instructions. The bank shall ensure that accounts of all student beneficiaries under the various Central / State Government Scholarship Schemes are free from restrictions of 'minimum balance' and 'total credit limit'.

### **B.3 Segregation and Audit of Inoperative Accounts/ Unclaimed Deposits**

203. The segregation of inoperative accounts is required to be done to reduce the risk of frauds. The transactions in inoperative accounts, which have been reactivated, shall be monitored regularly, for at least six months, at higher levels (i.e., by controlling authorities of the concerned branch) without the knowledge and notice of the customers and the dealing staff.

204. The bank shall ensure that amounts lying in inoperative accounts / unclaimed deposits and reactivated inoperative accounts / unclaimed deposits, are subjected to concurrent audit.

### **B.4 Tracing of Customers of Inoperative Accounts / Unclaimed Deposits**

205. The bank shall contact the holder(s) of the inoperative account / unclaimed deposit through letters, email or SMS (if the email and mobile number are registered with the bank). The email/ SMS shall be sent on a quarterly basis.

206. In case the whereabouts of the holder(s) of the inoperative account / unclaimed deposit are not traceable, the bank shall contact the introducer, if any, who had introduced the account holder to the bank at the time of opening of the account. The bank shall also contact the nominee, if registered, for tracing the customer.

The V-CIP related instructions under [Reserve Bank of India \(Regional Rural Banks – Know Your Customer\) Directions, 2025](#) (as updated from time to time) shall be adhered to by the bank. Additionally, the services of an authorised Business Correspondent of the bank may be utilised for activation of inoperative accounts as prescribed in the above Master Direction and through Video-Customer Identification Process (V-CIP) if requested by the account holder, subject to the facility of V-CIP being provided by the bank.

210. The bank shall ensure that activation of inoperative account / unclaimed deposits in CBS necessarily requires second level of authorisation by another officer at the same or higher level (i.e., through maker and checker). System logs shall invariably be maintained in case of any activity in or activation of inoperative accounts / unclaimed deposits for concurrent audit purpose. The preservation period of such system logs shall be as per the internal guidelines of the bank.

211. The bank shall automatically intimate the inoperative account / unclaimed deposit holders through SMS and registered email stating that on the basis of the KYC documents submitted by them, the inoperative status of the account has been removed. The intimation shall also mention the remedial measures available to them to report unauthorised access, if any. This would alert the account / unclaimed deposit holder against any possible fraudulent activity in his / her inoperative account. The bank shall have in place adequate operational safeguards to ensure that the claimants in case of

inoperative accounts / unclaimed deposits are genuine. The bank shall process requests for activation of inoperative account / unclaimed deposits within three working days from the receipt of the complete application.

Upon a successful search, details of unclaimed deposits shall be displayed in a format comprising account holder's name(s), his / her address (without pincode) and UDRN only. In case such accounts are not in the name of individuals, the search input and result should include names of individuals authorised to operate the accounts. However, the account number, its type, outstanding balance and the name of the branch shall not be disclosed on the bank's website.

### **B.9 Fraud Risk Management in Inoperative Accounts**

216. The bank shall not allow any debit transaction in an inoperative account unless there is a customer induced activation as per the procedure mentioned in paragraphs 208 to 211. Further, the bank may also consider imposing a cooling-off period on reactivation,

with restrictions on the number and amount of transactions, as may be applicable for newly opened accounts with the bank.

217. The bank shall ensure that there is no unauthorised access to customer data pertaining to the inoperative accounts. The bank shall also ensure that adequate steps are taken to prevent data theft and related misuse for fraudulent purposes.

274. When a bank account holder has availed himself / herself of nomination facility, the same may be indicated on the passbook so that in case of death of the account holder, the relatives can know from the passbook that the nomination facility has been availed of by the deceased depositor and take suitable action. ## **Annex IV - Settlement of claims**

### **A. Settlement of claims in respect of deceased depositors – Simplification of procedure**

#### **A.1 Provisions of the Banking Regulation Act, 1949**

1. The bank shall adhere to the provisions of Sections 45ZA to 45ZF of the Banking Regulation Act, 1949 and the Banking Companies (Nomination) Rules, 1985.

#### **A.2 Accounts with survivor / nominee clause**

2. The payment of the balance in the deposit account to the survivor(s) / nominee of a deceased deposit account holder represents a valid discharge of the bank's liability in the case of deposit accounts where the depositor had utilised the nomination facility and made a valid nomination or where the account was opened with the survivorship clause ("either or survivor", or "anyone or survivor", or "former or survivor" or "latter or survivor"):

- (1) Provided the bank has exercised due care and caution in establishing the identity of the survivor(s) / nominee and the fact of death of the account holder, through appropriate documentary evidence;
- (2) Provided there is no order from the competent court restraining the bank from making the payment from the account of the deceased; and
- (3) Provided it has been made clear to the survivor(s) / nominee that he / she would be receiving the payment from the bank as a trustee of the legal heirs of the deceased depositor, i.e., such payment to him / her shall not affect the right or claim which any person may have against the survivor(s) / nominee to whom the payment is made.

3. Since payment made to the survivor(s) / nominee, subject to the foregoing conditions, would constitute a full discharge of the bank's liability, the bank shall desist from insisting on production of succession certificate, letter of administration or probate, etc., or obtain any bond of indemnity or surety from the survivor(s)/nominee, while making payment to the survivor(s) / nominee of the deceased depositor, irrespective of the amount standing to the credit of the deceased account holder.

### **A.3 Accounts without the survivor / nominee clause**

4. The bank shall adopt a simplified procedure for repayment to legal heir(s) of the depositor in cases where the deceased depositor had not made any nomination or for the accounts other than those styled as "either or survivor" (such as single or jointly operated accounts). The bank shall keeping in view its risk management systems, fix a minimum threshold limit, for the balance in the account of the deceased depositors, up to which claims in respect of the deceased depositors could be settled without insisting on production of any documentation other than a letter of indemnity.

### **A.4 Treatment of flows in the name of the deceased depositor**

5. In order to avoid hardship to the survivor(s) / nominee of a deposit account, the bank shall obtain appropriate agreement / authorisation from the survivor(s) / nominee regarding the treatment of pipeline flows in the name of the deceased account holder. In this regard, the bank could consider adopting either of the following two approaches:

The bank could be authorised by the survivor(s) / nominee of a deceased account holder to open an account styled as 'Estate of Shri \_\_\_\_\_, the Deceased' where all the pipeline flows in the name of the deceased account holder could be allowed to be credited, provided no withdrawals are made.

OR

The bank could be authorised by the survivor(s) / nominee to return the pipeline flows to the remitter with the remark "Account holder deceased" and to intimate the survivor(s) / nominee accordingly. The survivor(s) / nominee / legal heir(s) could then approach the remitter to effect payment through a negotiable instrument or through ECS transfer in the name of the appropriate beneficiary.

### **A.5 Time limit for settlement of claims**

6. The bank shall settle the claims in respect of deceased depositors and release payments to survivor(s) / nominee(s) within a period not exceeding 15 days from the date of receipt of the claim subject to the production of proof of death of the depositor and suitable identification of the claim(s), to the bank's satisfaction.

7. The bank shall report to the Customer Service Committee of the Board, at appropriate intervals, on an ongoing basis, the details of the number of claims received

pertaining to deceased depositors / locker-hirers / depositors of safe custody article accounts and those pending beyond the stipulated period, giving reasons therefor.

#### **A.6 Claim Forms to be made available**

8. The bank shall provide claim forms for settlement of claims of the deceased accounts, to any person/s who is / are approaching the bank / branches for forms. Claim forms may also be put on the bank's website prominently so that claimants of the deceased depositor can access and download the forms without having to visit the concerned bank / branch for obtaining such forms for filing claim with the bank.

#### **B. Settlement of Claims in case of death of a Customer in respect of Safe Deposit Locker / Safe Custody Article Facility**

9. The bank shall have a Board approved policy for settlement of claims. The policy shall be in conformity with the regulatory instructions and the Model Operational Procedure (MOP) for settlement of claims of the deceased constituents formulated by the IBA.

10. The bank shall have a Board approved policy for nomination and release of contents of safety lockers / safe custody article to the nominee and protection against notice of claims of other persons in accordance with the provisions of Sections 45 ZC to 45 ZF of the Banking Regulation Act, 1949 and the Banking Companies (Nomination) Rules, 1985 and the relevant provisions of Indian Contract Act and Indian Succession Act.

11. In order to ensure that the articles left in safe custody and contents of lockers are returned to the genuine nominee, as also to verify the proof of death, the bank shall devise its own claim formats, in terms of applicable laws and regulatory guidelines.

12. The bank shall settle the claims in respect of deceased locker hirers and shall release contents of the locker to survivor(s) / nominee(s), as the case may be, within a period not exceeding 15 days from the date of receipt of the claim subject to the production of proof of death of the depositor and suitable identification of the claimant(s) with reference to nomination, to the bank's satisfaction.

13. The bank shall report to the Customer Service Committee of the Board, at appropriate intervals, on an ongoing basis, the details of the number of claims received pertaining to deceased locker-hirers / depositors of safe custody article accounts and

those pending beyond the stipulated period, with reasons therefor. Customer Service Committee of the Board of the bank shall review the settlement of claims and make suggestions to ensure that the claims are settled as early as possible unless there is any litigation pending before the Courts or any difficulty is being faced in identifying the true claimant with reference to nomination.

### **C. Simplified operational systems / procedures**

14. The bank shall undertake a comprehensive review of its extant systems and procedures relating to settlement of claims of its deceased constituents (i.e., depositors / locker-hirers / depositors of safe-custody articles) with a view to evolving a simplified policy / procedures for the purpose, with the approval of its Board, taking into account the applicable statutory provisions, foregoing instructions as also the operational procedure adopted by the sponsor bank.

### **D. Customer Guidance and Publicity**

15. The bank shall give wide publicity and provide guidance to deposit account holders on the benefits of the nomination facility and the survivorship clause. Illustratively, it should be highlighted in the publicity material that in the event of the death of one of the joint account holders, the right to the deposit proceeds does not automatically devolve on the surviving joint deposit account holder, unless there is a survivorship clause.

16. These instructions shall be viewed as very critical element for bringing about significant improvement in the quality of customer service provided to survivor(s) / nominee(s) of deceased depositors.

### **E. System to be followed by the bank in case a claim is received from a nominee / legal heirs for settlement of claim in respect of missing persons**

17. The settlement of claims in respect of missing persons would be governed by the provisions of Section 110 / 111 of the Bharatiya Sakshya Adhinyam, 2023. Section 110 deals with presumption of continuance and Section 111 deals with presumption of death. As per the provisions of Section 111 of the Bharatiya Sakshya Adhinyam, presumption of death can be raised only after a lapse of seven years from the date of his / her being reported missing. As such, the nominee / legal heirs have to raise an express presumption of death of the subscriber under Section 110/111 of the Bharatiya Sakshya Adhinyam before a competent court. If the court presumes that he

/ she is dead, then the claim in respect of a missing person can be settled on the basis of the same.

18. The bank shall formulate a policy which would enable it to settle the claims of a missing person after considering the legal opinion and taking into account the facts and circumstances of each case. Further, keeping in view the imperative need to avoid inconvenience and undue hardship to the common person, the bank shall keeping in view its risk management systems, fix a threshold limit, up to which claims in respect of missing persons could be settled without insisting on production of any documentation other than (i) FIR and the non-traceable report issued by police authorities, and (ii) letter of indemnity.
